**Item 1.01. Entry into a Material Definitive Agreement.**

On September 26, 2018, Chart Industries, Inc. (“Chart”), entered into a Share Purchase Agreement (the “Purchase Agreement”) with the shareholders of VRV s.p.a. (“VRV”), an Italian company headquartered in Milan, Italy. The Purchase Agreement provides that, upon the terms and subject to the conditions set forth in the Purchase Agreement, Chart or one of its subsidiaries will acquire all of the issued and outstanding shares of VRV (the “Acquisition”). VRV is a diversified multinational corporation engaged in the design and manufacture of pressure equipment serving the Cryogenic, as well as the Energy and Petrochemical end markets.

The Acquisition purchase price is euro 125 million (approximately \$147 million USD based on current exchange rates) in cash, subject to a working capital adjustment, and Chart will also assume the outstanding indebtedness of VRV (approximately euro 70 million, or \$83 million USD based on current exchange rates) subject to an indebtedness adjustment. Chart has sufficient liquidity to fund the Acquisition and it is anticipated that the Acquisition will be funded by some combination of Chart’s available cash on hand, debt under its current credit facility or other financing alternatives.

The Purchase Agreement provides for customary representations, warranties and covenants, including, among others, that each of the parties to the Purchase Agreement will use its best efforts to complete the Acquisition, that VRV will conduct its business in the ordinary course consistent with past practice during the period between the execution of the Purchase Agreement and consummation of the Acquisition, and that VRV will not engage in certain kinds of transactions during such period.

The Purchase Agreement also contains customary termination provisions, including a provision that the Purchase Agreement may be terminated by either Chart or VRV if the Acquisition has not been completed by December 31, 2018 (subject to extension under certain circumstances); provided, however, that such right to terminate the Purchase Agreement is not available to any party whose breach of any provision of the Purchase Agreement results in the failure of the Acquisition to be completed. The completion of the Acquisition is subject to the satisfaction of certain customary closing conditions.

Other than with respect to the Acquisition as described herein, there are no material relationships between Chart or its affiliates and VRV.

The foregoing summary of the Purchase Agreement contained in this Item 1.01 does not purport to be complete and is qualified in its entirety by reference to the Purchase Agreement, a copy of which is filed herewith as Exhibit 2.1 and is incorporated herein by reference.

---

The Purchase Agreement contains representations and warranties that each party thereto made to and solely for the benefit of each other party as of specific dates. The assertions embodied in those representations and warranties were made solely for purposes of the Purchase Agreement and may be subject to important qualifications and limitations agreed by the parties in connection with negotiating the terms of the Purchase Agreement or contained in exhibits or other supplemental materials thereto. Such exhibits or supplemental materials may contain information that modifies, qualifies or creates exceptions to the representations and warranties set forth in the Purchase Agreement. Moreover, some of those representations and warranties (1) may be subject to a contractual standard of materiality different from that generally applicable to shareholders or (2) may have been used for the purpose of allocating risk between the parties to the Purchase Agreement rather than establishing matters as fact. For the foregoing reasons, the representations and warranties should not be relied upon as statements of factual information.

**Item 7.01 Regulation FD Disclosure.**

On September 27, 2018, the Company issued a press release announcing the Acquisition, the strategic realignment of its segment structure and an update on the timing of its previously disclosed BioMedical strategic review process. A copy of the Company's press release is furnished as Exhibit 99.1 and is incorporated herein by reference. The Company also announced that it will hold a conference call on Tuesday, October 2, 2018 at 9:30 a.m. Eastern Time to provide further information on the strategic capital deployment and business alignment. Details regarding the conference call are contained in the press release.

In connection with the announcement of the Acquisition, Chart further announced that, effective immediately, it would report results in four segments: Energy & Chemicals, Distribution & Storage Western Hemisphere (the Americas), Distribution & Storage Eastern Hemisphere (Europe, Middle East, Asia including China) and BioMedical. The Company believes these changes will facilitate its growth strategies, better align with its customer needs, and provide improved transparency of business results to its shareholders. The Company noted that further modifications to its segment reporting may be implemented depending upon the results of the BioMedical strategic review process. The Company is in the final stages of the strategic review process and will provide an update upon completion.

All information in the press release is furnished and shall not be deemed "filed" with the Securities and Exchange Commission for purposes of Section 18 of the Securities Exchange Act of 1934, or otherwise be subject to the liability of that Section, and shall not be deemed to be incorporated by reference into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent the Company specifically incorporated it by reference.

Pursuant to section 1401 of the Italian civil code, Chart may assign all (but not less than all) of its rights and delegate all (but not less than all) of its obligations under this agreement to a company controlled by Chart, either directly or indirectly, it being understood however that no such assignment and delegation will relieve Chart of any of its obligations or duties under this agreement and that therefore Chart and its assign will be jointly liable to the Sellers hereunder. The right under this Section 4.2 may be exercised by Chart by delivering to the Sellers a written notice of its election to exercise such right, executed by its assign for acceptance and adherence to this agreement, at least 3 Business Days prior to the Closing Date.

#### 4.3. Shares as a sole object

Pursuant to section 1316 of the Italian civil code, all of the Shares are deemed to be one sole and indivisible object. #### 4.4. Effectiveness of the transfer of the Shares

The transfer of ownership (*proprietà*) of and title (*legittimazione*) to the Shares, both among the Parties and against third parties, will be effective as of the Closing Date.

$$\text{Adjustment Amount} = (\text{Target Financial Debt} - \text{Actual Financial Debt}) + (\text{Actual NWC} - \text{Target NWC})$$

- (b) If, within 45 days following the delivery of the calculation of the Financial Debt and of the NWC as at the Closing Date made by the Purchaser, the Sellers have not given the Purchaser written notice of their objection as to such calculation, then the calculation made by the Purchaser will be binding and conclusive on the Parties and be used as Actual Financial Debt and Actual NWC in computing the Adjustment Amount in accordance with the formula set out in Section 5.2. During the period of 45 days following the delivery of the calculation of the Financial Debt and the NWC as at the Closing Date made by the Purchaser, the Sellers and their Representatives will be afforded (directly or through their advisors) reasonable access on reasonable notice and during working hours to the books, records and accounts of the VRV Group so as to make the necessary checks and evaluations.
- (c) If the Sellers duly and timely give the Purchaser notice of its objection to the Financial Debt and the NWC as at the Closing Date prepared by the Purchaser, and if the Parties fail to resolve any outstanding issues with respect to the calculation of the Actual Financial Debt and Actual NWC within 45 days from the Purchaser’s receipt of the Sellers’ objection notice, then the Parties will submit the remaining issues in dispute to the Expert for resolution.
- (d) If issues are submitted to the Expert for resolution, the Parties will jointly appoint and engage such Expert upon the following terms and conditions:
  - (i) the Expert will act as an expert (*arbitratore*) pursuant to Articles 1349, paragraph 1, and 1473, paragraph 1, of the Italian civil code, and will make a decision in the interest of both Parties in a diligent and fair manner and in good faith (*con equo apprezzamento e non con mero arbitrio*);

  - (iv) the Parties will furnish or cause to be furnished to the Expert such work papers and other documents and information relating to the disputed issues as the Expert may request and are available to that Party and shall be afforded the opportunity to present to the Expert any material relating to the disputed issues and to discuss the issues with the Expert;
  - (v) the determination by the Expert, as set forth in a notice to be delivered to both Parties within 30 days of the submission to the Expert of the issues remaining in dispute, will be final, binding and conclusive on the Parties and will be used in the calculation of the Adjustment Amount; and
  - (vi) the Sellers will bear 50% and the Purchaser bear the residual 50% of the fees and costs of the Expert for such determination.

### 5.4. Payment of the Base Price

The Base Price will be paid in full on the Closing Date by the Purchaser to the Sellers by wire transfer, in immediately available funds, to the bank accounts whose details shall be communicated in writing by the Sellers to the Purchaser at least 3 Business Days before the Closing Date (the “**Bank Accounts of Sellers**”).

---

### 5.5. Payment of the Adjustment Amount

The Adjustment Amount will be paid within 5 Business Days after the calculation of the Actual Financial Debt and Actual NWC has become binding and conclusive on the Parties pursuant to Section 5.3 as follows:

### 5.6. Allocation of the Base Price and the Adjustment Amount

The Base Price will be paid to the Sellers, and the Adjustment Amount will be paid to or by the Sellers (depending on whether it is a positive or negative number) on a *pro-rata* basis, in proportion to the respective Applicable Percentages.

### 6.4. Parties’ duties in connection with the Conditions Precedent

The Parties shall use their Best Efforts in order to enable the satisfaction of the Condition Precedent under Section 6.1(a) as soon as possible, and the Sellers shall use their Best Efforts in order to enable the satisfaction of the other Conditions Precedent as soon as possible. **12.2. Sole remedy**

After Closing, the rights and remedies provided in this Article 12 shall be in lieu of any other right or remedy of the Purchaser arising by matter of law or otherwise, however arising in connection with any breach or inaccuracy of the Seller's Representations and Warranties or any breach by the Sellers of any of their undertaking, covenants or obligation of the Sellers under this agreement occurred prior to the Closing Date. In particular, but without limitation, no breach or inaccuracy, even if material, of any of Seller's Representations and Warranties or of any covenant, undertaking or obligation under this agreement occurred prior to the Closing Date will give rise to any right on the

part of the Purchaser to rescind or terminate this Agreement after Closing. For the avoidance of doubt, before Closing, the Purchaser shall be entitled to exercise all contractual and legal remedies exercisable with respect to the Sellers' failure to perform any undertaking, covenant or obligation of the Sellers contained in this agreement.

### 12.3. Data Room Disclosure

With respect to a breach of any Sellers' Representation and Warranty, no Third Party Claim or Other Claim may be initiated against the Sellers if that breach arises out of facts, circumstances or events clearly and fairly disclosed in the Data Room Documents, provided that the information has been provided in sufficient detail and with sufficient clarity and visibility to enable Purchaser, assuming the application of reasonable and customary standards of diligence, to understand the nature and scope of the fact, matter or circumstance so disclosed (the facts, circumstances or events so disclosed shall be deemed to have been "**Disclosed**" for the purposes of this agreement).

### 12.4. Time limitations

- (a) Sellers' obligations under Section 12.1 will expire:
  - (i) with respect to the Liabilities suffered or incurred by VRV Group or the Purchaser Group because of a breach of the Sellers' Representations and Warranties under Section 10.17 (*Tax matters*), on the date that is 60 days following the expiration of the relevant statute of limitations;
  - (ii) with respect to the Liabilities suffered or incurred by VRV Group or the Purchaser Group because of a breach of the Sellers' Representations and Warranties under Section 10.18 (*Labor and social security aspects*), on the date that is the fifth (5<sup>th</sup>) anniversary of the Closing Date;
  - (iii) with respect to the Liabilities suffered or incurred by VRV Group or the Purchaser Group because of a breach of the Sellers' Representations and Warranties under Section 10.14 (*Relationships with Banks and Financial Data*), on the date that is eight (8) months following the Closing Date; and
  - (iv) with respect to any other Indemnifiable Liability, on the date that is 18 months after the Closing Date.
- (b) Therefore, the Sellers will not be obliged to indemnify or hold the Purchaser harmless from and against any Indemnifiable Liability that may have occurred or have been notified by Purchaser after the time limitations (*termini finali*) set out in letter (a) above.
- (c) The liability of the Seller in respect of any Indemnifiable Liability shall in any event terminate if proceedings in respect of it have not been commenced within six (6) months after the giving of notice of that claim as contemplated by Section 12.9 below.

### 12.5. Limitation on amount

- (a) Any Indemnifiable Liability that individually does not exceed euro 50,000.00 (the "**De Minimis**") will not be taken into consideration and will not concur to determine the amount payable by the Sellers under Section 12.1 or otherwise, it being understood that for such purposes single occurrences which are part of a series of occurrences arising out of the same set of facts will be considered one single Indemnifiable Liability.
- (b) The Sellers will have no liability under Section 12.1 until the overall amount of all Indemnifiable Liabilities above the De Minimis exceeds euro 700,000.00 (the "**Basket**") and then only for the amount by which such Indemnifiable Liabilities exceed the Basket.
- (c) The maximum liability assumed by Sellers under Section 12.1 is equal to euro 17,500,000.00 (the "**Cap**"). Therefore, once the overall amount paid by Sellers under Section 12.1 has reached the Cap (as possibly increased pursuant to the provisions of Section 8.2(d)(iv)), the Sellers will have no more liability under Section 12.1.

- 
- (d) The amount of any Indemnifiable Liability shall be computed without regard to any multiple, price-earnings or equivalent ratio implicit in the negotiation and/or settlement of the Base Price as adjusted.

#### **12.6. Absence of limitations**

Notwithstanding anything contained herein to the contrary, the limitations set out in Section 12.4 or Section 12.5 will not apply (or will apply only to the extent indicated hereunder) to the Liabilities suffered or incurred by VRV Group or Purchaser Group:

- (a) in case of breach of any of the Fundamental Sellers' Representations and Warranties, for which the maximum liability assumed by the Sellers is equal to the Base Price as adjusted by the Adjustment Amount; or
- (b) in case of breach by the Sellers of any of their undertakings, covenants or obligations of the Sellers under this agreement occurred prior to the Closing Date; or
- (c) in case of Liability deriving from the events and circumstance: (x) listed in Section 12.1(iii); (y) covered by the Letter of Change of Control Indemnification; or (w) covered by the Letter of Excess Liabilities Indemnification, for which the maximum liability assumed by the Sellers shall be the one applicable pursuant to Section 8.2(d)(iv) above; or
- (d) in case of Sellers' fraud or gross negligence;

it being therefore understood that any such Liability will be indemnified on a euro-upon-euro basis with no time limitation (other than the applicable statutes of limitation and other than the Liabilities deriving from a breach of the Sellers' Representations and Warranties under Section 10.14 that will be indemnifiable for eight (8) months after the Closing Date) or limitation on amount (other than set forth above).

#### **12.7. Deductions**

- (a) The amount of all indemnities payable by the Sellers pursuant to Section 12.1 will be reduced by:
  - (i) any fund or provision specifically identified in the Actual NWC as relating to the event giving rise to indemnification (up to the amount so specifically identified);
  - (ii) the amount of any payment actually received by the Purchaser Group or the VRV Group from third parties (whether insurance companies or otherwise) in connection with the event giving rise to indemnification provided that Purchaser has recovered its loss in full from Sellers; and
  - (iii) any compensation awarded and paid to IMB as a result of the counter-claim filed by IMB in the civil proceedings pending between IMB and Mr Vittorio Murer before the Court of Brescia, R.G. no. 17471/2017 up to the amount of the indemnity payable by the Sellers.
- (b) In the event and to the extent that any Indemnifiable Liability is deductible by the Purchaser or by any company of the VRV Group for income tax purposes in any given fiscal year, then, in such event and to such extent, the amount of the Indemnifiable Liability to be indemnified by the Seller will be reduced by an amount equal to the net tax benefit actually obtained (if any) by the Purchaser and/or any company of the VRV Group by virtue of such deduction (even if such tax benefit applies in subsequent fiscal years).

#### **12.8. Exclusions**

- (a) The Sellers shall not be liable under this Section 12 to the extent that the matter or circumstance giving rise to that claim:
  - (i) is or arises directly or indirectly from any matter or circumstance Disclosed in this agreement or in its Exhibits or in the Data Room Documents, without prejudice to the Sellers' indemnification obligations related to the events and circumstances listed in Section 12.1(iii), which shall not be limited by any such Disclosure;

- (ii) has been or is made good or is otherwise compensated for without cost to the Purchaser or the VRV Group;
- (iii) has been accounted for in the Actual Financial Debt or Actual NWC (up to the amount so accounted for).
- (b) The Seller shall not be liable under this Section 12 in the event and to extent that any Indemnifiable Liability is actually paid to the Purchaser or the VRV Group, as the case may be, by any third party (in each case net of all expenses).
- (c) The Seller shall not be liable under this Section 12 to the extent the relevant liability would not have arisen but for:
  - (i) a change in legislation occurred after the Closing Date (whether relating to Tax, the rate of Tax or otherwise) or any amendment to or the withdrawal of any practice previously published by a Governmental Body, in either case occurring after the Closing Date, whether or not that change, amendment or withdrawal purports to be effective retrospectively in whole or in part; or
  - (ii) any act or omission of any company of the VRV Group occurred on or before the Closing Date carried out at the written request of the Purchaser's representatives listed in Section 17.1.

**12.9. Procedure for indemnification**

- (a) When the Purchaser receives notice of any claim made by third parties that is the basis for a claim for indemnification under this Article 12 (a "**Third Party Claim**") or when the Purchaser has any other claim for indemnification other than a Third Party Claim that is the basis for a claim for indemnification under this Article 12 ("**Other Claim**"), the Purchaser shall promptly give written notice to the Sellers. Such notice shall contain in reasonable detail:
  - (i) a description of the facts and the nature of the claim;
  - (ii) a description of the grounds on which the Purchaser considers that the facts give rise to liability for an Indemnifiable Liability by the Sellers;
  - (iii) the amount claimed; and
  - (iv) the indication of the date the Purchaser or its Affiliates (including, for the avoidance of doubt, VRV Group) have received notice of a Third Party Claim or the date any of such Persons have acquired Knowledge of the circumstances or facts on which the Other Claim is based.
- (b) The Purchaser shall use its Best Efforts to give any notice of Third Party Claims or Other Claims to the Sellers as soon as possible after becoming actually aware of such claims; provided, that any delay by the Purchaser in giving such a notice shall not discharge the Sellers of their indemnification obligations under this agreement except and only to the extent the Sellers are prejudiced by such delay.
- (c) The Purchaser shall, at the request of the Sellers, allow the Sellers to take the sole conduct of such actions in the name of the Purchaser or VRV Group provided, however, that the Sellers shall not be permitted to assume the defense or settlement of any Third Party Claim in respect of any criminal liability, or injunctive relief, or that involves customers of VRV Group, and the Sellers shall confirm in writing their indemnification responsibility hereunder for any such Third Party Claim prior to assuming such defense or settlement. If the Sellers take sole conduct of the action, the Purchaser shall assure its reasonable co-operation for the purpose of allowing the Sellers to carry out an effective defense and permitting the Sellers to appoint attorneys or consultants (in each case at Sellers' sole cost and expense). For the avoidance of doubt, the Sellers shall have the right take the sole conduct of the proceedings indicated in Section 12.1(iii) and the Purchaser shall cause the VRV Group to cooperate with the Sellers and act upon their instructions in relation to such proceedings.
- (d) The Purchaser shall not, and shall cause VRV Group not to, make any admission of liability, agreement, settlement or compromise with any third party in relation to any Third Party Claim without the prior written consent of the Sellers; provided, however, that if the Sellers elect not to assume sole conduct of any actions and a firm offer to settle is made to VRV

Group or to the Purchaser, and the Sellers, but not the Purchaser, are willing to accept, the Purchaser or VRV Group (as the case may be) will be free not to enter into such settlement at their own expense, and the relevant liability of the Sellers will be limited to the amount of the proposed settlement.

- (e) Within 20 calendar days from receipt of the relevant notice in accordance with letter (a) above, the Sellers shall send a written notice to the Purchaser (a “**Response**”) stating whether:
  - (i) the Sellers consider that the claim is covered by the provisions set forth under this agreement and: (i) accept the amount of the claim, in which case they shall pay the amount of the claim within 5 Business Days of the Response; or (ii) do not consider that the amount of the claim is correct, in which case any of the Parties may bring the controversy to arbitration in accordance with Section 25.2 unless a different agreement is reached by the relevant Parties; and
  - (ii) the Sellers consider that the claim is not covered under this agreement and consider they have no obligation to indemnify any Indemnifiable Liability, in which case, any of the relevant Parties may bring the controversy to arbitration in accordance with Section 25.2.
- (f) In relation to Section 12.1(iii)(c) the Sellers shall have the right prior to or after the Closing Date to cause the VRV Group to take any reasonable actions (in each case at the Sellers’ sole cost and expense) against the relevant supplier in order to recover any amounts in connection with such recall. Any sum recovered by the VRV Group pursuant to this Section shall either reduce the Sellers liability or be passed on to the Sellers in case the Purchaser has been already indemnified.
- (g) In relation to Section 12.1(iii)(a) and (b) the Sellers shall have the right prior to or after the Closing Date to cause the VRV Group to take any reasonable actions (in each case at the Sellers’ sole cost and expense) against any third party from whom the VRV Group may have the right to recover any sum for which it is deemed responsible in connection with the facts described in Section 12.1(iii)(a) and (b). Any sum recovered by the VRV Group pursuant to this paragraph shall either reduce the Sellers liability or be passed on to the Sellers in case the Purchaser has been already indemnified.

#### **12.10. Tax Amnesty**

in the event that, at any time between Closing and the date upon which the liability of the Sellers for tax or social security matters shall expire pursuant to Section 12.4, any Law should be enacted having as an effect the right to settle, in whole or in part, any Tax or social security obligations of any VRV Group company covered – for a majority portion of the overall economic value of such Tax or social security obligations – by the Sellers’ indemnity obligation hereunder (any such law, an “**Amnesty**”), the following provisions shall apply:

- (i) the Sellers shall have the right to request the Purchaser that the relevant company avail itself of the Amnesty;
- (ii) the Purchaser shall have the right to determine (irrespective of any request of the Sellers under paragraph (i)), whether or not the company should avail itself of the Amnesty;
- (iii) if the Purchaser elects to cause the company to avail itself of an Amnesty without prior agreement with or request by the Sellers, all costs and expenses of such Amnesty shall be borne by the Purchaser or the company, without recourse against the Sellers; and
- (iv) if the Purchaser elects to cause the company to avail itself of an Amnesty in agreement with the Sellers or pursuant to the Sellers’ request hereunder, all costs and expenses of such Amnesty shall be borne by the Seller, without prejudice to the limitations of the Seller’s liability set out in the other provisions of this Section 12.

---

**12.11. Mitigation**

Nothing in this agreement shall be deemed to relieve the Purchaser from any duty that is otherwise applicable to the Purchaser under article 1227 of the Italian civil code to mitigate any loss or damage incurred by it as a result of any of the Sellers' Representations and Warranties being untrue or incorrect.

**12.12. Recovery from third parties**

If:

- (a) the Sellers make a payment in respect of an Indemnifiable Liability (the "*Damages Payment*");
- (b) at any time after the making of such payment any VRV Group company or the Purchaser receives any sum other than from the Sellers which would not have been received but for the matter or circumstance giving rise to that Indemnifiable Liability (the "*Third Party Sum*"); and
- (c) the receipt of the Third Party Sum was not taken into account in calculating the Indemnifiable Liability,

then the Purchaser shall, promptly following receipt of the Third Party Sum by it or any VRV Group company, repay an amount equal to the Third Party Sum (less any costs incurred by the Purchaser or such company in recovering the Third Party Sum) to the Sellers.

**12.13. Contingent liabilities**

The Sellers shall not be required to indemnify the Purchaser under this Section 12 in respect of any contingent or potential liability of any company of the VRV Group unless and until such liability has become actual and final and has been paid for by such company or has become the subject matter of a final and incontestable obligation to pay on such company. The foregoing, however, shall not prevent the Buyer from making a Third Party Claim or Other Claim at the time of any such contingent or potential liability, to preserve the relevant Third Party Claim or Other Claim in the event of expiration of the relevant survival period as per Section 12.4.

**12.14. Waiver of set off rights**

The Purchaser waives any and all rights of set off, counterclaim, deduction or retention against or in respect of any of its payment obligations under this agreement which it might otherwise have by virtue of any Indemnifiable Liability.

**12.15. Remedy of breaches**

If the matter or circumstance giving rise to a claim under this Section 12 is capable of remedy, the Sellers shall have no liability in respect of such claim unless the relevant matter or circumstance is not remedied within 30 (thirty) calendar days after the date on which the Sellers are given notice as contemplated 13.9 above in relation to that matter or circumstance. The Purchaser shall procure that the Sellers are given the opportunity in such 30 (thirty) calendar day period to remedy the relevant matter or circumstance and shall, without prejudice to Section 12.11, provide, and shall procure that the VRV Group shall provide, all reasonable assistance to the Sellers to remedy the relevant matter or circumstance; provided, however, that such required assistance (i) shall be at the sole cost and expense of the Sellers and (ii) shall not adversely affect the business of the VRV Group.

#### **12.16. Purchaser indemnification obligations**

The Purchaser agrees to indemnify and hold the Sellers harmless from all losses, liabilities, claims, costs, expenses and damages – including, without limitation, legal costs and experts’ and consultants’ fees – incurred or suffered by any of the Sellers as a result of the Purchaser’s Representations and Warranties not being true and correct or as a result of the Purchaser not complying with its undertakings, covenants and obligations provided for in this agreement.

### **CHAPTER V – POST-CLOSING OBLIGATIONS –**

#### **13. PURCHASER’S OPTION TO SELL AND ASSIGN THE OVERDUE RECEIVABLES TO SELLERS**

##### **13.1. Option**

At any time and from time to time during the six (6) month period commencing upon the 151<sup>st</sup> day after the Closing Date (the “*Option Period*”), the Purchaser will have the option (the “*Option*”), but not the obligation, to cause any member of the VRV Group to sell and assign to the Sellers all or part of its accounts receivable that exist on the Closing Date and are not collected within 150 days from the Closing Date (the “*Overdue Receivables*”). For the sake of clarity, it is understood that the Option can be exercised one or more times during the Option Period on an Overdue Receivable by Overdue Receivable basis.

##### **13.2. Exercise of the Option**

The Purchaser may exercise the Option by delivering to the Sellers, at any time during the Option Period, a written notice (the “*Option Notice*”) providing, for each member of the VRV Group, the details of the Overdue Receivables which the Purchaser intends to sell and assign to the Sellers (the “*Optioned Overdue Receivables*”).

##### **13.3. Transfer price**

If the Purchaser exercises the Option in accordance with Section 13.2, then the Purchaser shall cause the members of the VRV Group to sell and assign to the Sellers, and the Sellers shall acquire and purchase from the members of the VRV Group, all (and not less than all) of the Optioned Overdue Receivables for a consideration equal to their nominal value (the “*Transfer Price*”) in accordance with Section 13.4.

##### **13.4. Transfer of the Optioned Overdue Receivables**

On the 10<sup>th</sup> Business Day following the date of receipt of the Option Notice by the Sellers:

- (a) the Purchaser shall cause the members of the VRV Group to enter into with the Sellers, and the Sellers shall enter into with the members of the VRV Group, by means of exchange of correspondence, an agreement for the sale without recourse (*pro-soluto*) of all of the Optioned Overdue Receivables; and
- (b) the Sellers shall pay the Transfer Price to the relevant members of the VRV Group;
- (c) the members of the VRV Group and the Sellers shall take any other actions and exchange any other instruments, agreements and documents that are required or advisable under the applicable Laws for the purpose of transferring and assigning the Optioned Overdue Receivables to the Sellers.

##### **13.5. Parties’ obligations after the assignment of the Optioned Overdue Receivables**

As soon as reasonably practicable after the assignment of the Optioned Overdue Receivables, the Purchaser shall cause the relevant members of the VRV Group to:

- (i) notify to the relevant debtors the assignment of the Optioned Overdue Receivables;

- (ii) deliver to the Sellers any documents in the possession of the VRV Group concerning the Optioned Overdue Receivables; and
- (iii) remit to the Sellers any amount received by the relevant VRV Group on account of payment of the Optioned Overdue Receivables.

## 14. RESTRICTIVE COVENANTS

### 14.1. Non-competition and non-solicitation

For a period of 4 years after the Closing Date, the Sellers will not (and will cause their Related Parties not to), directly or indirectly, whether for their own account or for the account of any other Person, whether for or without compensation, acting alone or as a member of a partnership, as a shareholder of a company, as a holder or owner of any security, as an employee, director, agent, advisor, consultant to, independent contractor to, representative, or in any other capacity:

- (a) carry on, or be engaged in, or otherwise take part in, the Relevant Business anywhere in the Territory; or
- (b) invest in, own, manage, operate, finance, control, advise, render services to or guarantee the obligations of any Person engaged in or planning to become engaged in the Relevant Business anywhere in the Territory; or
- (c) solicit the business of any Person who is a customer of the Purchaser or the VRV Group; or
- (d) cause, induce or attempt to cause or induce any customer, supplier, licensee, licensor, franchisee, employee, consultant or other business relation of the Purchaser to cease doing business with the Purchaser, to deal with any competitor of the Purchaser or in any way interfere with its relationship with the Purchaser; or
- (e) cause, induce or attempt to cause or induce any customer, supplier, licensee, licensor, franchisee, employee, consultant or other business relation of the VRV Group on the Closing Date or within the year preceding the Closing Date to cease doing business with the VRV Group, to deal with any competitor of the VRV Group or in any way interfere with its relationship with the VRV Group; or
- (f) hire, retain or attempt to hire or retain any employee or independent contractor of the Purchaser Group or the VRV Group or in any way interfere with the relationship between the Purchaser Group or the VRV Group and any of their employees or independent contractors.

For the avoidance of doubt, nothing in this Section 14.1 shall prevent the Sellers from:

- (i) being engaged in any position within any industry association (*associazioni di categoria*) (accordingly, any position accepted or maintained by any of the Sellers in any such associations shall not constitute a breach of the above undertakings);
- (ii) investing in publicly-traded companies, provided that the stake so acquired by the Sellers in any such company does not exceed 2.5% of its share capital;
- (iii) carrying out any of the activities provided for under this agreement in respect of the holding of equity in and/or managing, directly or indirectly, the Spinoff Entity (but solely to complete the activities specifically contemplated by this agreement); or
- (iv) hiring independent professionals such as lawyers and/or accountants (*commercialisti*) who work or have worked with the VRV Group.

### 14.2. Nature of the restrictive covenants set out in Section 14.1

The Sellers acknowledge and agree that the restrictive covenants set out in Section 14.1 are not autonomous and distinct from the sale of the Shares; instead, such restrictive covenants are ancillary to the sale of the Shares and constitute an essential part of the Transaction, as they are instrumental in protecting the goodwill and preserving intact the business organization of the VRV Group, whose value has been expressly taken into account by the Purchaser in the valuation of the VRV Group.

---

**14.3. Consideration of the restrictive covenants set out in Section 14.1**

Also by virtue of what is stated in Section 14.2, the consideration for the restrictive covenants set out in Section 14.1 has been expressly taken into account and included in the purchase price of the Shares. Therefore, it is understood that the Sellers have assumed the obligations set out in Section 14.1 for a consideration (*a titolo oneroso*) although the Sellers are not entitled to receive any compensation or consideration – other than the purchase price of the Shares – for such restrictive covenants.

**14.4. Liquidated damages**

The Sellers acknowledge and agree that the complete and exact performance of the non-competition and non-solicitation undertakings under Section 14.1 by each of them form a significant part of the benefit that the Purchaser intends to realize in connection with this agreement, and that the Purchaser would be greatly damaged if any of the Sellers did not perform its obligations under this under this Section 14.1 in accordance with their specific terms. Accordingly, in the event that any of the Sellers breaches any of its obligations under Section 14.1, the Sellers, pursuant to section 1382 of the Italian civil code will be responsible to pay to the Purchaser, in addition to any other right or remedy to which the Purchaser may be entitled, an amount equal to euro 3,000,000.00. The Sellers acknowledge and agree that such amount is a genuine, fair and reasonable estimate of the minimum damages that the Purchaser would suffer if any of the Sellers breached any of its obligations under Section 14.1.

**15. COMPANY'S DIRECTORS**

- (a) The Purchaser undertakes not to initiate and/or permit to be initiated by any of the companies of the VRV Group or the Purchaser Group, any action, claim or litigation against any current or former director or officer of any of such Companies in connection with such director's office within any company of the VRV Group as held until the Closing Date, all of the above except in case of criminal behavior.
- (b) The Purchaser undertakes to indemnify and pay to the Sellers all losses, liabilities, claims, costs, expenses and damages – including, without limitation, legal costs and experts' and consultants' fees – suffered by the Sellers, any current or former director of any company of the VRV Group which are the direct consequence of any action, claim or litigation brought by the Purchaser Group against any current or former director or officer of any company of the VRV Group in connection with such director's office within any company of the VRV Group as held until the Closing Date, all of the above except in case of criminal behavior.
- (c) If the provision under (a) above is or becomes invalid, illegal or unenforceable, in whole or in part, under the law applicable thereto, the validity, legality or enforceability of the remaining provisions contained in that paragraph and elsewhere in this agreement shall not in any way be affected or impaired. The Parties shall nevertheless negotiate in good faith in order to agree the terms of mutually satisfactory provisions, achieving as closely as possible the same commercial effect, to replace the provisions found to be void or unenforceable. In particular, it is agreed, for the purposes of Article 1419 of the Italian Civil Code, that the provision set forth in letter (a) above has not an essential nature and its invalidity, illegality or unenforceability shall not in any case impair neither the validity, legality and enforceability of the provision set forth in letter (b) above nor any other provision hereof.
- (d) The undertakings of the Purchaser set out in letters (a) and (b) above shall remain in full force and effect in relation to any claim of which notice is given to the Purchaser by the Seller within 5 (five) years from Closing Date and the Purchaser undertakes to deliver on the Closing Date to any current director of any VRV Company that is not a Seller a letter reproducing the undertakings contained in this Section 15.
- (e) To the extent that VRV, prior to the Closing, acquires a directors' liability insurance policy covering actions, claims or litigations based on actions carried out by such directors prior to the Closing Date, the Purchaser shall not cancel and shall cause the VRV Group to maintain such policy (or any policy having the same or better terms and conditions such as the current insurance policies of the VRV Group) for a period of five years. 50% of the cost of such insurance policy (net of any tax benefit of the VRV Group) shall be reimbursed by the Sellers (up to the amount of the premium currently paid by VRV) to the Purchaser.

**16.2. Common representative of all Sellers**

For the purpose of this agreement Alessandro Spada will act as common representative of both other Sellers, each of which hereby irrevocably constitutes and appoints Alessandro Spada as its agent and attorney-in-fact pursuant to section 1723, paragraph 2, of the Italian civil code, granting him with all necessary and/or appropriate powers so that he may receive communications and perform any obligations hereunder also in the name and on behalf of each Seller.

**17. SELLER'S LIABILITY**

**17.1. Nature of the Sellers' obligation to sell**

The Sellers' obligation to sell the Shares to the Purchaser pursuant to section 4.1 above is a joint and several obligation pursuant to article 1294 of the Italian Civil Code.

**17.2. Nature of the Sellers' liability under this agreement**

Except as set forth under section 17.1 above, the Sellers' liability under this agreement is several and not joint (*parziaria*) and shall be calculated on a pro-rata basis in accordance with the Applicable Percentage, save in case that the liability is triggered by only one of the Sellers, in which case such Seller shall be considered liable on an exclusive basis.

**18. ENTIRE AGREEMENT AND MODIFICATION**

This agreement supersedes all prior agreements, whether written or oral, between the Parties with respect to its subject matter and constitutes a complete and exclusive statement of the terms of the agreement between the Parties with respect to its subject matter. Pursuant to Section 1352 of the Italian civil code, this agreement may not be amended, supplemented, or otherwise modified except by a written agreement executed by all Parties.

**19. EXPENSES**

Except as otherwise provided in this agreement, each Party will bear its respective fees and expenses incurred in connection with the preparation, negotiation, execution and performance of this agreement and the sale and purchase contemplated hereunder, including all fees and expense of its Representatives.

**20. CONFIDENTIALITY AND PUBLIC ANNOUNCEMENTS**

**20.1. Confidentiality**

**PRESS RELEASE**

**Chart Industries, Inc. Announces Definitive Agreement to Acquire VRV Group and Strategic Realignment of the Segment Structure**

Atlanta, GA | September 27, 2018 | Chart Industries, Inc. (Nasdaq: GTLS) announced today the signing of a definitive agreement to acquire VRV s.p.a. and its subsidiaries (collectively "VRV"). VRV is a diversified multinational corporation with highly automated, purpose-built facilities for the design and manufacture of pressure equipment serving the Cryogenic and Energy & Petrochemical end markets.

Combination Highlights:

- Complementary to Chart's Distribution & Storage and Energy & Chemicals end markets and technologies
- End market expansion to the "warm" side of energy and petrochemical processing as well expanding our Energy & Chemicals presence within Europe
- Expands manufacturing footprint and improved port access by adding Italy, India and France production and commercial facilities
- Expands repair and service offering

In connection with the acquisition, Chart has agreed to pay €125 million (approximately \$147 million USD, based on current exchange rates), which will be funded by a combination of Chart's available cash on hand and debt under its current credit facility or another financing alternative, and assume the outstanding indebtedness of VRV (approximately €70 million or \$83 million USD based on current exchange rates). The acquisition is expected to add annual net sales of \$115 million in 2019, achieve significant cost synergies related to operational efficiencies and sourcing, and be EPS accretive in the first full year of ownership.

VRV has a rich history of engineering and design dating back to its beginning in 1956. During the 1970s, the company began to design and manufacture cryogenic equipment driven by Massimiliano Spada and then by his sons, Federico Spada and Alessandro Spada, both of whom will continue in executive roles in Chart.

"Chart is the best partner for VRV's growth and global presence," said the Spada family. "Together we will provide our worldwide customers a complete portfolio of products and services for the cryogenic, energy and petrochemical industries."

"We are very pleased to bring VRV into the Chart family of companies with Alessandro and Federico Spada joining our team," said Jill Evanko, Chart's Chief Executive Officer. "VRV has technical strengths and manufacturing capabilities which are an excellent complement to ours and brings a strong leadership team for continued growth. Together we will now be able to provide a broader set of solutions to our customers and deliver faster results through an expanded global footprint. This acquisition is another step in our efforts to be a full-service, global provider to our customers."

The VRV acquisition builds on our capital allocation strategy, focusing on core cryogenic and energy technologies. To support this strategic acquisition as well as Chart's expanded focus on geographic expansion outside of North America, we are realigning our segmentation and naming a global commercial team. Effective immediately, our results will be reported in Energy & Chemicals, Distribution & Storage Western Hemisphere (the Americas), Distribution & Storage Eastern Hemisphere (Europe, Middle East, and Asia including China) and BioMedical. We expect these changes will provide improved transparency of business results to our shareholders, better align with Chart's customer needs, and facilitate our growth strategies through collaboration of global and regional approaches. Additionally, further modifications to the Company's segment reporting may be implemented depending upon the results of the previously disclosed BioMedical strategic review process. The Company is in the final stages of the review and will provide an update upon completion.

The transaction is subject to customary closing conditions. Credit Suisse served as exclusive financial advisor and Winston & Strawn LLP and NCTM served as legal advisors to Chart.

Chart will hold a conference call on Tuesday, October 2, 2018 at 9:30am eastern time to provide further information on the strategic capital deployment and business alignment.
