Item 1.01. Entry into a Material Definitive Agreement.

On September 28, 2018, Chart, Inc., Chart Industries Luxembourg SARL and Chart Asia Investment Company Limited (collectively, the “Sellers”), each of which is a wholly-owned subsidiary of Chart Industries, Inc. (“Chart”), entered into a Stock Purchase Agreement (the “Purchase Agreement”) to sell its oxygen-related products business (the “CAIRE Business”) to NGK Spark Plug Co., Ltd. (the “Buyer”) for a purchase price of \$ 133.5 million (the “Divestiture”). A portion of the Chart’s Biomedical segment related to cryogenic technological expertise (the “Cryobiological Business”) is excluded from the Divestiture.

The Purchase Agreement provides for customary representations, warranties and covenants, including, among others, that each of the parties to the Purchase Agreement will use its reasonable best efforts to complete the Divestiture, that the Sellers will conduct the CAIRE Business in the ordinary course consistent with past practice during the period between the execution of the Purchase Agreement and consummation of the Divestiture, and that the Sellers will not permit the CAIRE Business to engage in certain kinds of transactions during such period. The Purchase Agreement also provides that the Sellers will complete certain reorganization activities involving the China operations of the CAIRE Business (in order to separate the Cryobiological Business from the CAIRE Business in China), and that such operations shall fully transfer to the Buyer promptly following the completion of those reorganization activities, which is expected to occur within twelve months following the closing.

The Purchase Agreement also contains customary termination provisions, including a provision that the Purchase Agreement may be terminated by either the Sellers, on the one hand, or NGK, on the other hand, if the Divestiture has not been completed within six months; provided, however, that such right to terminate the Purchase Agreement is not available to any party whose breach of any provision of the Purchase Agreement results in the failure of the Divestiture to be completed.

The Divestiture is expected to be completed in the fourth quarter of 2018 and is subject to the satisfaction of certain customary closing conditions and regulatory requirements.

Other than with respect to the Divestiture as described herein, there are no material relationships between Chart or its affiliates (including the Sellers) and the Buyer.

The foregoing summary of the Purchase Agreement contained in this Item 1.01 does not purport to be complete and is qualified in its entirety by reference to the Purchase Agreement, a copy of which is filed herewith as Exhibit 2.1 and is incorporated herein by reference.

The Purchase Agreement contains representations and warranties that each party thereto made to and solely for the benefit of each other party as of specific dates. The assertions embodied in those representations and warranties were made solely for purposes of the Purchase Agreement and may be subject to important qualifications and limitations agreed by the parties in connection with negotiating the terms of the Purchase Agreement or contained in schedules or other supplemental materials thereto. Such schedules and supplemental materials may contain information that modifies, qualifies or creates

exceptions to the representations and warranties set forth in the Purchase Agreement. Moreover, some of those representations and warranties (1) may be subject to a contractual standard of materiality different from that generally applicable to shareholders or (2) may have been used for the purpose of allocating risk between the parties to the Purchase Agreement rather than establishing matters as fact. For the foregoing reasons, the representations and warranties should not be relied upon as statements of factual information.

Item 7.01 Regulation FD Disclosure.

On October 1, 2018, Chart issued a press release announcing the Divestiture and the completion of Chart's previously announced strategic review of the BioMedical business. Consistent with the recent disclosure with respect to Chart's strategic realignment of its segment reporting, effective immediately it has eliminated its BioMedical segment and has moved the Cryobiological Business into Distribution & Storage Western Hemisphere (the Americas). A copy of Chart's press release is furnished as Exhibit 99.1 and is incorporated herein by reference.

All information in the press release is furnished and shall not be deemed "filed" with the Securities and Exchange Commission for purposes of Section 18 of the Securities Exchange Act of 1934, or otherwise be subject to the liability of that Section, and shall not be deemed to be incorporated by reference into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that Chart specifically incorporated it by reference.

provided, however, that until such time as the calculation of the amounts shown on the Closing Date Balance Sheet and the Closing Date Working Capital, Closing Date Cash, Closing Date Debt, Closing Date Transaction Expenses and Purchase Price determinations are final and binding on the parties pursuant to this Section 2.3, Chart US and its accountants shall be permitted to discuss with Buyer and its accountants the Preliminary Closing Statement and shall be provided copies of, and have access upon reasonable notice at all reasonable times during normal business hours to, subject to Chart US's entrance into a customary confidentiality agreement with Buyer's accountants (if required thereby), the work papers and supporting records of Buyer and its accountants so as to allow Chart US and its accountants to become informed concerning all matters reasonably relating to the preparation of the Preliminary Closing Statement and the accounting procedures, methodologies, tests and approaches used in connection therewith.

(b) Following receipt of the Preliminary Closing Statement, if Chart US has any objections to such document as prepared by Buyer, Chart US shall deliver written notice to Buyer of such dispute in detail indicating each disputed item (including the specified dollar amount of each disputed item along with the calculation of such disputed amount) and the basis for the disagreement therewith within forty-five (45) days after the date of such receipt thereof. In the event of notice of such dispute, Chart US and Buyer shall negotiate in good faith to resolve such dispute. If Buyer and Chart US, notwithstanding such good faith effort, fail to resolve such dispute within fifteen (15) days after Chart US provides written notice to Buyer of Chart US's objections, then Buyer and Chart US shall engage the Independent Accountants to conduct a review of Chart US's objections to the Preliminary Closing Date Balance Sheet, Preliminary Working Capital Determination, Preliminary Cash Determination, Preliminary Debt Determination, Preliminary Transaction Expenses Determination and/or Preliminary Purchase Price Determination, as the case may be, as promptly as reasonably practicable and, upon completion of such review, to deliver written notice to Chart US and Buyer setting forth the Independent Accountants' resolution of such objections and the resulting adjustments shall be deemed finally determined for purposes of this Section 2.3. The Independent Accountants' role in completing such review shall be limited to resolving such objections and determining the correct calculations to be used with respect to only the disputed portions and amounts of the Preliminary Closing Statement and the subsequent objections thereto, which have been made consistent with the preceding provisions. In resolving such objections, the Independent Accountants shall apply the provisions of this Agreement concerning determination of the amounts set forth in the Preliminary Closing Statement and the decision of the Independent Accountants shall be solely based on (i) whether such item objected to was prepared in accordance with the guidelines set forth in this Agreement concerning determination of the

amounts set forth therein or (ii) whether the item objected to contains a mathematical or clerical error. The parties shall not permit the Independent Accountants to conduct any ex-parte communications with the parties, nor shall they take into consideration any settlement offers provided or exchanged by the parties. The Preliminary Closing Date Balance Sheet, Preliminary Working Capital Determination, Preliminary Cash Determination, Preliminary Debt Determination, Preliminary Transaction Expenses Determination and Preliminary Purchase Price Determination as agreed by Buyer and Chart US or as determined by the Independent Accountants, as the case may be, shall be final and binding as the "Closing Date Balance Sheet," "Closing Date Working Capital," "Closing Date Cash," "Closing Date Debt," "Closing Date Transaction Expenses" and "Purchase Price," respectively, for purposes of this Agreement.

(c) The parties hereto shall make available to the Independent Accountants (if applicable), such books, records and other information (including work papers) that the Independent Accountants may reasonably request in order to review the Preliminary Closing Statement. The fees and expenses of the Independent Accountants hereunder shall be paid by Buyer, on the one hand, and Chart US (on behalf of Sellers), on the other hand, based on the percentage which the portion of the contested amount not awarded to each party bears to the amount actually contested by or on behalf of such party.

Section 2.4 Purchase Price Adjustment Payment. Promptly (but not later than five (5) Business Days) after the final determination of the Closing Date Working Capital, Closing Date Cash, Closing Date Debt, Closing Date Transaction Expenses and Purchase Price pursuant to Section 2.3, the parties shall take the following actions, as applicable:

(a) if the Purchase Price as finally determined pursuant to Section 2.3 exceeds the Estimated Purchase Price, then Buyer shall pay to Sellers by wire transfer of immediately available funds a dollar amount equal to the amount of such excess to the bank account or accounts specified by Chart US; and

(b) if the Estimated Purchase Price exceeds the Purchase Price as finally determined pursuant to Section 2.3, then Sellers shall pay to Buyer by wire transfer of immediately available funds a dollar amount equal to the amount of such excess to the bank account or accounts specified by Buyer;

provided, however, that any such payments required to be made to or by Sellers pursuant to this Section 2.4 shall be made to or by (or on behalf of) Chart US and/or Chart Lux and/or Chart Asia in the relative proportions that such amounts actually relate to the US Shares, the UK Shares or the China Shares, respectively (as contemplated by Section 2.2), except for the portion of any such payments that relate to the Closing Date Working Capital, which shall be made to or by (or on behalf of) Chart US and/or Chart Lux and/or Chart Asia in the proportion that each of the US Base Purchase Price, UK Base Purchase Price and China Base Purchase Price bears to the Base Purchase Price, respectively.

(a) Each Acquired Company has been duly incorporated or organized, is validly existing under the Requirements of Law of the jurisdiction of its incorporation or organization and is not and has never been insolvent or subject to any safeguard, bankruptcy or insolvency proceedings under the Requirements of Law of its jurisdiction. Each Acquired Company is duly qualified or licensed to transact business and is in good standing (to the extent applicable) in each jurisdiction where the character of its properties owned or held under lease or the nature of its activities makes such qualification necessary, except where the failure to be so qualified or in good standing would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. Each Acquired Company has the requisite power and authority to own or lease and operate its assets as and where currently owned, operated and leased and to carry on the Business in all material respects in the manner that it was conducted immediately prior to the date of this Agreement.

(b) Schedule 5.1(b) sets forth the authorized capital stock or other equity interests of each of the Acquired Companies and the number of shares or the ownership percentages of each class of capital stock or other equity interests of the Acquired Companies that are issued and outstanding and the owner of such shares or other equity interests. Except for the Shares, there are no shares of capital stock or other equity securities of any Acquired Company issued, reserved for issuance or outstanding. All of such capital stock or other equity interests set forth on Schedule 5.1(b) (i) are duly authorized, validly issued and, as applicable, fully paid and nonassessable, (ii) are not subject to, nor have they been issued in violation of, any Encumbrance, purchase option, call option, right of first refusal, preemptive right, subscription right or any similar right under any provision of an applicable Requirement of Law, the Organizational Documents of such Acquired Company or any Contract to which the applicable Seller or such Acquired Company is a party or otherwise bound, and (iii) have been offered, sold and issued in compliance with applicable Requirements of Law.

Section 5.3 Conflicts. Except as set forth in Schedule 5.3, neither the execution and delivery by any Seller of this Agreement or any of the Seller Ancillary Agreements to which such Seller is a party and the consummation by such Seller of any of the transactions contemplated hereby or thereby, nor the compliance by such Seller with, or fulfillment by such Seller of, the terms, conditions and provisions hereof or thereof will:

(a) assuming the receipt of all necessary consents and approvals and the filing of all necessary documents as described in Section 5.3(b), result in a violation or breach of the terms, conditions or provisions of, or constitute a default, an event of default or an event that, after notice or lapse of time or both, would result in the creation of rights of acceleration, termination or cancellation or a loss of rights under, or result in the creation or imposition of any Encumbrance upon any of the Shares or any of the assets of any of the Acquired Companies, under (i) the Organizational Documents of any of the Acquired Companies, (ii) any Material Contract, (iii) any Order to which any of the Acquired Companies is a party or by which any of the Acquired Companies is bound or (iv) any Requirements of Law affecting the Acquired Companies; or

(b) All transactions by each Acquired Company related to the Business are and have been properly and accurately recorded in reasonable detail in its books and records, and each document upon which such entries in its books and records are based is complete and accurate in all material respects. No Acquired Company nor any Person on behalf of or for the benefit of such Acquired Company has created or used any off-books cash funds, bank accounts, or other property in connection with the Business. No Acquired Company has made any false or fictitious entries in its books or records related to the Business, and each Acquired Company maintains a system of internal accounting controls adequate to ensure that such Acquired Company maintains no off-the-books accounts and that its assets are used only in accordance with management directives.

Section 5.5 Operations Since Balance Sheet Date. Except as set forth in Schedule 5.5, from the Balance Sheet Date to the date hereof, there has not been a Material Adverse Effect and the Acquired Companies have conducted the Business in all material respects in the ordinary course consistent with past practice. Without limiting the generality of the foregoing, from the Balance Sheet Date to the date hereof, except as set forth in Schedule 5.5, none of the Acquired Companies has taken any action which, if taken after the date hereof and prior to the Closing, would require the consent of Buyer pursuant to Section 7.4.

(c) the Acquired Companies have properly accrued or reserved on the Financial Statements, in each case in accordance with GAAP, all Taxes in respect of all periods prior to the Closing Date, and none of the Acquired Companies has incurred any liability for Taxes since the Balance Sheet Date other than in the ordinary course of business or in connection with the transactions contemplated by this Agreement (including the Reorganization);

(d) there are no Encumbrances (other than Permitted Encumbrances) on any of the Company's assets in connection with any failure (or alleged failure) to pay any Tax by the Company;

(e) none of the Acquired Companies has waived in writing any statute of limitations in respect of Taxes of any of the Acquired Companies which waiver is currently in effect;

(g) all material deficiencies asserted or assessments made as a result of any examination of the Tax Returns referred to in the foregoing clause (a) by a taxing authority have been paid in full; and

(h) during the last three (3) years, none of the Acquired Companies has been party to any transaction treated by the parties thereto as one to which Section 355 of the Code applied.

This Section 5.6 contains the sole and exclusive representations and warranties with respect to matters relating to Taxes, and notwithstanding anything to the contrary in this Agreement, nothing in this Section 5.6 shall cause any Seller to be liable for any Taxes for which such Seller is not expressly liable pursuant to Section 8.1 (relating to Tax matters).

Section 5.7 Governmental Permits. Each of the Acquired Companies owns, holds or possesses all licenses, franchises, permits, privileges, immunities, registrations, clearances, exemptions, approvals and other authorizations from a Governmental Body or, with regard to EC certificates, from a competent notified body within the European Union that are necessary to entitle it to conduct the Business as conducted immediately prior to the date of this Agreement (collectively, the "Governmental Permits") together with the Product related technical documentation necessary for obtaining such Governmental Permit. Each of the Governmental Permits owned, held or possessed by any of the Acquired Companies is valid, subsisting and in full force and effect. All fees and charges with respect to such Governmental

Each Lease Agreement is a valid and binding obligation of one of the Acquired Companies, as applicable, is in full force and effect and is enforceable against such Acquired Company and, to the Knowledge of Sellers, against the other parties thereto, subject to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws of general application relating to or affecting creditors’ rights and to general principles of equity. The Acquired Companies are not in nor, to the Knowledge of Sellers, alleged to be in, material breach or material default under any of the Lease Agreements, and no event or condition has occurred or exists, which with the passage of time, the giving of notice or both, would constitute a material breach or material default thereunder.

(v) establish, adopt or terminate any Company Plan, or materially increase the benefits provided under any Company Plan to any current or former employee of the Acquired Companies, in each case other than as required by the terms of such Company Plan or Contract or applicable Requirements of Law;

(vi) acquire by merging or consolidating with, or by purchasing a substantial portion of the capital stock or assets of, directly or indirectly, any business or any corporation, partnership, association or other business organization or division thereof;

(vii) terminate or adversely amend in any material respect, or exercise any option to extend, any Lease Agreement;

(viii) make any material change in the accounting methods or policies of the Acquired Companies (including in its cash management practices and its policies, practices and procedures with respect to collection of accounts receivable, establishment of reserves for uncollectible accounts, accrual of accounts receivable, inventory control, prepayment of expenses, payment of trade accounts payable, accrual of other expenses, deferral of revenue and acceptance of customer deposits), unless such change is required by GAAP or applicable Requirements of Law;

(ix) issue, deliver or sell any securities of any of the Acquired Companies, other than the issuance of any securities to any of the other Acquired Companies;

(x) amend the Organizational Documents of the Acquired Companies;

(xi) accelerate, terminate, materially modify or cancel any material Contract (including any Material Contract) to which any of the Acquired Companies is a party or by which it is bound;

(xii) hire or promote any person as or to (as the case may be) the position of an officer of any Acquired Company;

(xiii) adopt, modify or terminate any: (i) employment, severance, retention or other agreement with any current or former employee, officer, director, independent contractor or consultant, or (ii) collective bargaining or other agreement with a union, in each case whether written or oral;

(xiv) enter into a new line of business or abandon or discontinue any existing lines of business;

(xv) adopt any plan of merger, consolidation, reorganization, liquidation or dissolution or file of a petition in bankruptcy under any provisions of federal or state bankruptcy law or consent to the filing of any bankruptcy petition against it under any similar Requirements of Law; or

(xvi) agree to do any of the foregoing.

Section 7.5 Termination of Related Party Contracts. Except as contemplated by the Seller Ancillary Agreements or the Buyer's Ancillary Agreements, on or prior to the Closing Date, all Related Party Contracts other than the Related Party Contracts set forth in Schedule 7.5 shall be terminated by Sellers and shall be of no further force and effect after the Closing.

Section 7.6 No Solicitation of Other Bids.

(a) Sellers shall not, and shall not authorize or permit any of their Affiliates (including the Acquired Companies) or any of their officers, directors, employees or any other representatives to, directly or indirectly, (i) encourage, solicit, initiate, facilitate or continue inquiries regarding an Acquisition Proposal; (ii) enter into discussions or negotiations with, or provide any information to, any Person concerning a possible Acquisition Proposal; or (iii) enter into any agreements or other instruments (whether or not binding) regarding an Acquisition Proposal. To the extent not done already as of the date hereof, Sellers shall immediately cease and cause to be terminated, and shall cause their Affiliates (including the Acquired Companies) and all of their officers, directors, employees or other representatives to immediately cease and cause to be terminated, all existing discussions or negotiations with any Persons conducted heretofore with respect to, or that could lead to, an Acquisition Proposal.

(b) In addition to the other obligations under this Section 7.6, Sellers shall promptly (and in any event within five (5) Business Days after receipt thereof by Sellers) advise Buyer of any Acquisition Proposal received in writing by Sellers or their Affiliates, in each case subject to any applicable confidentiality restrictions applicable to Sellers or their Affiliates.

Section 7.7 Third-Party Consents. Prior to the Closing, each Seller shall, and shall cause each Acquired Company to, use its commercially reasonable efforts to obtain the consent of each counterparty to the Contracts set forth on Schedule 7.7; provided, however, that neither Sellers nor the Acquired Companies shall be obligated to pay any money to any such counterparty in exchange therefor, except as may be expressly contemplated by the relevant Contract.

Section 7.8 Operational Efficiency Measures. Following the date hereof, at Buyer's written request, Chart US shall cause CAIRE to take or begin to take the Operational Efficiency Measures requested by Buyer, in each case at Buyer's sole cost and expense (except for Phase 1 and Phase 2, which shall be at Chart US's sole cost and expense), and Chart US shall cause CAIRE to use its commercially reasonable efforts to complete such Operational Efficiency Measures as promptly as practicable consistent with a timeline mutually agreed upon by Buyer and Chart US; provided, however, that, for the avoidance of doubt, except as set forth in Schedule 1.3, the completion of any such Operational Efficiency Measures shall not be a condition to Closing.

ARTICLE VIII

ADDITIONAL AGREEMENTS

Section 8.1 Tax Matters.

(a) Liability for Taxes.

(i) Chart US shall be liable for and pay, and pursuant to Article XI (and subject to the limitations thereof, except, for the avoidance of doubt, the limitations of Section 11.1(a)(x), (y), and (z)), Chart US agrees to indemnify and hold harmless each Buyer's Group Member from and against, any Taxes imposed on any Acquired Company for any taxable year or period that ends on or before the Closing Date and, with respect to any Straddle Period, the portion of such Straddle Period ending on and including the Closing Date (the "Tax Indemnity"); provided, however, that Chart US shall not be liable for or pay, and shall not indemnify or hold harmless any Buyer's Group Member from and against, (A) any Taxes imposed on any Acquired Company or for which any Acquired Company may otherwise be liable as a result of transactions occurring on the Closing Date that are allocable to the portion of the Closing Date after the Closing, (B) subject to Section 8.1(g), any Taxes that result from any actual or deemed election under Section 338 of the Code or any similar provisions of U.S. state, local or non-U.S. law as a result of the purchase of the Shares or that result from Buyer, any Affiliate of Buyer, or

any Acquired Company engaging in any activity or transaction that would cause the transactions contemplated by this Agreement to be treated as a purchase or sale of assets of any Acquired Company for Tax purposes, (C) notwithstanding anything to the contrary herein, any Taxes resulting from a sale of any Acquired Company by Buyer, (D) any Taxes to the extent resulting from a breach by Buyer of any covenant or agreement contained in this Agreement, including any covenant or agreement contained in this Section 8.1, and (E) any Taxes described under Section 8.1(a)(iv) (Taxes described in the foregoing clauses (A) through (E), “Excluded Taxes”). Sellers shall be entitled to any refund of (or credit for) Taxes allocable to any taxable year or period that ends on or before the Closing Date and, with respect to any Straddle Period, the portion of such Straddle Period ending on and including the Closing Date, in each instance, less any Taxes on such refund or credit, except to the extent such refund or credit was included as an asset in the calculation of Closing Net Working Capital. Upon the request of Sellers, Buyer shall, and shall cause each Acquired Company and its Affiliates to, take all actions necessary, and all actions reasonably requested by Sellers, to timely claim any refunds to which any Seller is entitled pursuant to the preceding sentence, including filing (or causing to be filed) all Tax Returns (including amended Tax Returns) or other documents claiming any such refunds. The amount due to Sellers shall be payable ten (10) days after receipt of any such refund from the applicable Governmental Body (or, if the refund is in the form of credit or offset, ten (10) days after the due date of the Tax Return claiming such credit or offset).

(ii) Buyer shall be liable for and pay, and pursuant to Article XI (and subject to the limitations thereof) shall indemnify and hold harmless each Seller Group Member from and against, (A) any and all Taxes imposed on any Acquired Company, or for which any Acquired Company may otherwise be liable, for any taxable year or period that begins after the Closing Date and, with respect to any Straddle Period, the portion of such Straddle Period beginning after the Closing Date, and (B) any Excluded Taxes. Except as otherwise provided herein, Buyer shall be entitled to any refund of (or credit for) (x) Taxes described in the foregoing clause (A) and (y) Excluded Taxes.

(iii) For purposes of Section 8.1(a)(i) and Section 8.1(a)(ii), to the extent permissible under applicable Requirements of Law, the parties agree to elect (and to cause each Acquired Company to elect) to have each Tax year of each Acquired Company end on the Closing Date and, if such election is not permitted or required in a jurisdiction with respect to a specific Tax such that any Acquired Company is required to file a Tax Return for a Straddle Period, to utilize the following conventions for determining the amount of Taxes attributable to the portion of the Straddle Period ending on the Closing Date: (x) in the case of property Taxes and other similar Taxes imposed on a periodic basis, the amount attributable to the portion of the Straddle Period ending on the Closing Date shall equal the Taxes for the entire Straddle Period multiplied by a fraction, the numerator of which is the number of calendar days in the portion of the period ending on the Closing Date and the denominator of which is the number of calendar days in the entire Straddle Period; provided, however, if as a result of the transactions contemplated by this Agreement, the value of any asset is reassessed for purposes of determining the amount of any property or other Tax, any resulting increase in Tax for such Straddle Period shall be treated as being solely with respect to the portion

of the Straddle Period beginning on the date after the Closing Date; and (y) in the case of all other Taxes (including income Taxes, sales Taxes, employment Taxes and withholding Taxes), the amount attributable to the portion of the Straddle Period ending on the Closing Date shall be determined as if such Acquired Company filed a separate Tax Return with respect to such Taxes for the portion of the Straddle Period ending as of the end of the day on the Closing Date using a “closing of the books methodology.” For purposes of applying the foregoing, (A) any item determined on an annual or periodic basis (including amortization and depreciation deductions) for income Tax purposes shall be allocated to the portion of the Straddle Period ending on the Closing Date based on the relative number of days in such portion of the Straddle Period as compared to the number of days in the entire Straddle Period; (B) any Tax or item of income, gain, loss, deduction or credit from a transaction occurring on the Closing Date shall be allocated to the portion of the Straddle Period beginning on the day after the Closing Date; and (C) any item of deduction attributable to any Transaction Expenses shall be allocated to the portion of the Straddle Period ending on the Closing Date.

(iv) Notwithstanding anything herein to the contrary, all transfer, documentary, sales, use, stamp, registration, value added and other such Taxes incurred in connection with this Agreement (including any real property transfer Tax and any other similar Tax) shall be borne by Buyer. With respect to Taxes described in the preceding sentence, Sellers shall reasonably cooperate with Buyer in preparing and filing any such Tax Returns as may be necessary, and the costs of preparing such Tax Returns shall be borne by Buyer.

(b) Tax Returns.

(i) Sellers shall timely file or cause to be timely filed when due (taking into account all extensions properly obtained) (A) all Tax Returns that are required to be filed by or with respect to any Acquired Company on a combined, consolidated or unitary basis with Sellers or any Affiliate thereof (other than the Acquired Companies) and (B) all other Tax Returns that are required to be filed by or with respect to any Acquired Company for taxable years or periods ending on or before the Closing Date. In each case, Sellers shall remit or cause to be remitted any Taxes due in respect of such Tax Returns, provided such Taxes are indemnified Taxes described in Section 8.1(a)(i) for which Chart US is responsible and not Excluded Taxes. Buyer, at its sole cost and expense, shall timely file or cause to be timely filed when due (taking into account all extensions properly obtained) all other Tax Returns that are required to be filed by or with respect to any Acquired Company after the Closing Date and Buyer shall remit or cause to be remitted any Taxes due in respect of such Tax Returns.

(ii) All Tax Returns that Buyer is required to file or cause to be filed in accordance with this Section 8.1(b) that relate to any taxable year or period ending on or before the Closing Date or any Straddle Period shall be prepared and filed in a manner consistent with past practice and, on such Tax Returns, no position shall be taken, election made or method adopted that is inconsistent with positions taken, elections made or methods used in preparing and filing similar Tax Returns in prior periods, except in each case where required by applicable Requirements of Law. With respect to any such

Tax Return to be filed by Buyer, not less than thirty (30) days prior to the due date for such Tax Return, taking into account extensions (or, if such due date is within thirty (30) days following the Closing Date, as promptly as practicable following the Closing Date), Buyer shall provide Sellers with a draft copy of such Tax Return for their approval and Buyer shall incorporate any reasonable comments made by Sellers in the Tax Return actually filed.

(iii) None of Buyer or any Affiliate of Buyer shall (or shall cause or permit any Acquired Company to) file, amend, re-file or otherwise modify (or grant an extension of any statute of limitation with respect to) any Tax Return relating in whole or in part to any Acquired Company with respect to any taxable year or period ending on or before the Closing Date (or with respect to any Straddle Period), or take any other action (including voluntary disclosure) that would increase any Tax liability in respect of any taxable year or period ending on or before the Closing Date, without the prior written consent of Sellers.

(c) Tax Package. Following the Closing, Buyer shall promptly (but in any event within ninety (90) days following the Closing) cause each Acquired Company to prepare and provide to Sellers a package of Tax information materials, including schedules and work papers (the "Tax Package") required by Sellers to enable Sellers to prepare and file all Tax Returns required to be prepared and filed by Sellers and their respective Affiliates. The Tax Package shall be completed in accordance with past practice, including past practice as to providing such information and as to the method of computation of separate taxable income or other relevant measure of income of each Acquired Company, except in each case where required by applicable Requirements of Law.

(d) Contest Provisions.

(i) Buyer shall promptly notify Sellers in writing upon receipt by Buyer or any of its Affiliates (including any Acquired Company) of notice of any pending or threatened federal, state, local or foreign Tax audits, examinations or assessments which might affect the Tax liabilities for which Chart US may be liable pursuant to this Section 8.1.

(ii) Sellers shall have the sole right to represent each Acquired Company's interests in any Tax audit or administrative or court proceeding relating to taxable periods ending on or before the Closing Date or otherwise relating to Taxes for which Chart US may be liable pursuant to this Section 8.1, and to employ counsel of its choice at its expense. Buyer or any of its Affiliates shall have the opportunity to participate in each audit or proceeding at its own expense. In the case of a Straddle Period, each Seller shall be entitled to participate at its expense in any Tax audit or administrative or court proceeding relating (in whole or in part) to Taxes attributable to the portion of such Straddle Period ending on and including the Closing Date and, with the written consent of Buyer, and at such Seller's sole expense, may assume the entire control of such audit or proceeding. Neither Buyer nor any of its Affiliates (including any Acquired Company) may settle any Tax claim for any Taxes for which Chart US may be liable pursuant to Section 8.1(a) without the prior written consent of Sellers.

(e) Assistance and Cooperation. After the Closing Date, Sellers, on the one hand, and Buyer, on the other hand, shall (and shall cause their respective Affiliates to):

(i) assist the other party in preparing any Tax Returns which such other party is responsible for preparing and filing in accordance with Section 8.1(b);

(ii) cooperate fully in preparing for any audits of, or disputes with taxing authorities regarding, any Tax Returns of any Acquired Company (including any combined, consolidated or unitary Tax Return that includes any Acquired Company);

(iii) make available to the other and to any taxing authority as reasonably requested all information, records, and documents relating to Tax Returns of any Acquired Company;

(iv) provide timely notice to the other in writing of any pending or threatened Tax audits or assessments of any Acquired Company for taxable periods for which the other may have a liability under this Section 8.1;

(v) furnish the other with copies of all correspondence received from any taxing authority in connection with any Tax audit or information request with respect to any such taxable period;

(vi) timely sign and deliver such certificates or forms as may be necessary or appropriate to establish an exemption from (or otherwise reduce), or file Tax Returns or other reports with respect to, Taxes described in Section 8.1(a)(iv) (relating to sales, transfer and similar Taxes); and

(vii) timely provide to the other powers of attorney or similar authorizations necessary to carry out the purposes of this Section 8.1.

(f) Tax Covenants. With respect to Tax matters, Buyer and Sellers agree as follows:

(i) each U.S. Acquired Company's year-end for U.S. federal income Tax purposes shall end as of the end of the Closing Date;

(ii) to the fullest extent permitted under applicable Requirements of Law, to treat any Transaction Expenses paid or accrued on or before the Closing as deductible in taxable years or periods ending on or before the Closing Date (or portion of the Straddle Period ending on the Closing Date) and no party hereto shall apply the "next day rule" under Treasury Regulation Section 1.1502-76(b)(1)(ii)(B) to such deductions; and

(iii) to properly make an election under Revenue Procedure 2011-29 to deduct seventy percent (70%) of any Transaction Expenses that are success-based fees as defined in Treasury Regulation Section 1.263(a)-5(f).

(g) Chart US Election. Chart US shall make an election pursuant to Treasury Regulations Sections 1.1502-36(d)(6)(i)(A) and 1.1502-36(e)(5) with respect to the US Shares to the extent such election is required to avoid any attribute reduction for CAIRE (and shall not make an election pursuant to Treasury Regulations Section 1.1502-36(d)(6)(i)(B)).

(h) No Section 338 Election. Buyer and Sellers agree that Buyer shall not make or cause or permit to be made any election under Section 338 of the Code or under any applicable similar provision of state or foreign Requirements of Law with respect to the transactions contemplated hereby.

Section 8.2 Employee Matters.

(a) For a period commencing on the Closing Date and ending no earlier than the twelve (12) month anniversary of the Closing Date, Buyer shall, and shall cause its Affiliates (including the Acquired Companies), to take all action necessary so that each Business Employee shall continue to receive a base wage rate or salary rate no less than the wage rate or salary rate he or she is receiving from the respective Acquired Company as of the Closing Date and bonus opportunities that are, in the aggregate, no less favorable to such Business Employee than the bonus opportunities offered to such Business Employee by the respective Acquired Company as of the Closing Date.

(b) With respect to the Business Employees of the Acquired Companies other than Chart China, for a period commencing on the Closing Date and ending no earlier than the twelve (12) month anniversary of the Closing Date, Buyer shall and shall cause its Affiliates (including the Acquired Companies other than Chart china) to provide to each such Business Employee benefits under Buyer's and its Affiliates' employee benefit plans and programs ("Buyer's Benefit Programs") that are no less favorable in the aggregate to such Business Employee as those provided to similarly situated employees of the Buyer; provided, however, that, with respect to any Business Employee whose employment is terminated by Buyer or any of its Affiliates without cause (as "cause" is defined by Buyer or its respective Affiliate in its reasonable discretion) on or prior to the twelve (12) month anniversary of the Closing Date, Buyer or its Affiliates shall provide such Business Employee with severance payments that are no lower in the aggregate than those severance payments available to such Business Employee under the Plans in place immediately prior to the Closing, except to the extent that the Business Employee is a party to a Contract at the time of termination that provides for severance payments in the event of such termination, in which case the Contract severance payments shall be paid in lieu of any other severance payments.

(c) Buyer shall and shall cause its Affiliates (including the Acquired Companies) to credit Business Employees with all service credited to such Business Employees as of the Closing Date (or, with respect to the Business Employees of Chart China, as of the China Transfer Date) in addition to service earned with Buyer or its Affiliates (including the Acquired Companies) after the Closing Date for all purposes (including purposes of eligibility, vesting and levels of benefits, such as the amount of any vacation, sick days, severance, layoff and similar benefits) under Buyer's Benefit Programs. Buyer shall and shall cause its Affiliates (including the Acquired Companies) to use commercially reasonable efforts to waive any pre-existing condition exclusions, evidence of insurability requirements, actively at work

requirements or waiting periods for participation and coverage applicable under Buyer's Benefit Programs with respect to Business Employees and their dependents. Buyer shall and shall cause its Affiliates (including the Acquired Companies) to use commercially reasonable efforts to credit Business Employees with any amounts paid under a plan maintained by any Seller or any of its Affiliates prior to the Closing Date (or, with respect to the Business Employees of Chart China, prior to the China Transfer Date) for purposes of satisfying any applicable deductible, coinsurance or out-of-pocket requirements for the plan year that includes the Closing Date (or, with respect to the Business Employees of Chart China, the China Transfer Date) as if such amounts had been paid under a corresponding Buyer's Benefit Program.

(d) Buyer shall and shall cause its Affiliates (including the Acquired Companies) to honor and recognize immediately after the Closing Date all vacation time of the Business Employees that is accrued and unused as of the Closing Date (or, with respect to the Business Employees of Chart China, as of the China Transfer Date). Nothing in this provision shall limit the ability or right of Buyer or any Affiliate to modify or eliminate its vacation policies or plans in its discretion after the Closing Date.

(e) As of the Closing Date, the Acquired Companies shall terminate their participation in each Plan that is not a Company Plan (except that Chart China shall terminate such participation as of the China Transfer Date), and in no event shall any Business Employee be entitled to accrue any benefits under such Plans that are not Company Plans with respect to services rendered or compensation paid on or after the Closing Date (or the China Transfer Date, as applicable). For the avoidance of doubt, Sellers shall retain or assume all rights and obligations under each Plan that is not a Company Plan, whether arising prior to, on or after the Closing Date.

(f) As of the Closing Date (or, with respect to the Business Employees of Chart China, as of the China Transfer Date), all Business Employees shall cease to contribute to the Chart Industries, Inc. 401(k) Investment and Savings Plan (the "Chart 401(k) Plan").

(g) As soon as practicable after the Closing Date (and in any event not later than sixty (60) days thereafter), Buyer or its Affiliates shall establish or designate, or shall cause the Acquired Companies to establish or designate, a defined contribution plan (the "Buyer's 401(k) Plan"). Each U.S. Business Employee who is eligible to participate in the Chart 401(k) Plan immediately prior to the Closing Date shall become eligible to participate in the Buyer's 401(k) Plan as of immediately after the Closing Date. The Buyer's 401(k) Plan shall be qualified as a salary deferral plan under Section 401(k) of the Code and shall provide the U.S. Business Employees with credit for service and for all purposes for which such service was recognized under the Chart 401(k) Plan, including vesting and eligibility to participate, (i) with Parent and its Affiliates (including the Acquired Companies) and their respective predecessors prior to the Closing Date, and (ii) with Buyer and its Affiliates (including the Acquired Companies) for all periods on and after the Closing Date. Effective after the Closing Date, each U.S. Business Employee who, as of the Closing Date, is a participant in the Chart 401(k) Plan shall be entitled to a distribution of his or her account balance in accordance with the terms of the Chart 401(k) Plan as in effect from time to time and applicable Requirements of Law, and Buyer shall take any and all action necessary to ensure that the Buyer's 401(k) Plan shall accept "direct rollovers" (within the meaning of Section 401(a)(31) of the Code) of distributions from the Chart 401(k) Plan, if such rollovers are elected by any Business Employees, including accepting the rollover of any 401(k) loans.

(h) Notwithstanding anything set forth herein to the contrary, (i) the parties do not intend for this Agreement to amend any Plans or arrangements or create any rights or obligations except between the parties, (ii) no Business Employee or other current or former employee of any of the Acquired Companies, including any beneficiary or dependent thereof, or any other person not a party to this Agreement, shall be entitled to assert any claim hereunder, and (iii) nothing in this Agreement shall create any obligation on the part of Buyer or any of its Affiliates to continue the employment of any Business Employee with any Acquired Company for any definite period following the Closing Date.

Section 8.3 Non-Competition; Non-Solicitation.

(a) Subject to Section 8.3(b), as a material inducement to Buyer to enter into this Agreement, Sellers shall not, and each Seller shall cause each of its Affiliates not to, directly or indirectly (whether by itself, through an Affiliate or in partnership or conjunction with, or as a member, owner, consultant or agent of, any other Person):

(i) for a period of three (3) years following the Closing Date, undertake, participate in or carry on or be engaged in, or in any other manner advise or assist, or have an interest in, any other Person in connection with the operation of, any Competing Business Activities anywhere in the world in any capacity, including as a partner, shareholder, member, employee, principal, agent, trustee or consultant; and

(ii) for a period of three (3) years following the Closing Date, solicit, entice, encourage or influence, or attempt to solicit, entice, encourage or influence, any officer, director or employee of Buyer or any Acquired Company, including any Business Employee, to resign or otherwise leave the employ of Buyer or any Acquired Company or otherwise hire, employ, engage or contract with any such officer, director or employee to perform services other than for the benefit of Buyer or any Acquired Company.

(b) Notwithstanding Section 8.3(a), Sellers and their respective Affiliates shall not be prohibited from or restricted in any way with respect to: (i) advertising job openings by use of third party recruiters, newspapers, magazines, the Internet, social media or any other media, so long as such efforts are not specifically directed at individual officers, directors or employees of Buyer or any Acquired Company, including Business Employees, or hiring any such Business Employees as a result thereof; (ii) hiring or soliciting any Business Employee who has been terminated by, or has terminated employment with, Buyer, any Acquired Company or any Affiliate thereof, so long as there was no solicitation by any Seller or its Affiliates prior thereto; (iii) continuing to engage in any business that any Seller or any of its Affiliates (other than the Acquired Companies) engages in as of the date of this Agreement; (iv) holding, directly or indirectly, solely as an investment, not more than five percent (5%) of the outstanding voting securities of any company traded on any national securities exchange that is primarily engaged in Competing Business Activities; or (v) acquiring, and following such acquisition, actively

engaging in any business that has a subsidiary, division, group, franchise or segment that is engaged in any Competing Business Activities, so long as for the most recent fiscal year ending prior to the date of such acquisition, the revenues derived from the Competing Business Activities were less than fifteen percent (15%) of the total consolidated revenues of such business.

(c) Subject to Section 8.3(d), as a material inducement to Sellers to enter into this Agreement, Buyer shall not, and Buyer shall cause each of its Affiliates not to, directly or indirectly (whether by itself, through an Affiliate or in partnership or conjunction with, or as a member, owner, consultant or agent of, any other Person):

(i) for a period of eighteen (18) months following the Closing Date, undertake, participate in or carry on or be engaged in, or in any other manner advise or assist, or have an interest in, any other Person in connection with the operation of, any Seller Business Activities anywhere in the world in any capacity, including as a partner, shareholder, member, employee, principal, agent, trustee or consultant; and

(ii) for a period of eighteen (18) months following the Closing Date, solicit, entice, encourage or influence, or attempt to solicit, entice, encourage or influence, any officer, director or employee of any Seller or its Affiliates to resign or otherwise leave the employ of such Person or otherwise hire, employ, engage or contract with any such officer, director or employee to perform services other than for the benefit of any Seller or its Affiliates.

(d) Notwithstanding Section 8.3(c), Buyer and its Affiliates shall not be prohibited from or restricted in any way with respect to:

(i) advertising job openings by use of third party recruiters, newspapers, magazines, the Internet, social media or any other media, so long as such efforts are not specifically directed at individual officers, directors or employees of any Seller or Affiliate thereof, or hiring any such individual as a result thereof; (ii) hiring or soliciting any such individual who has been terminated by, or has terminated employment with, any Seller or Affiliate thereof, so long as there was no solicitation by Buyer or its Affiliates prior thereto; (iii) continuing to engage in any business that Buyer or any of its Affiliates engages in as of the date of this Agreement; (iv) holding, directly or indirectly, solely as an investment, not more than five percent (5%) of the outstanding voting securities of any company traded on any national securities exchange that is primarily engaged in Seller Business Activities; or (v) acquiring, and following such acquisition, actively engaging in any business that has a subsidiary, division, group, franchise or segment that is engaged in any Seller Business Activities, so long as for the most recent fiscal year ending prior to the date of such acquisition, the revenues derived from the Seller Business Activities were less than fifteen percent (15%) of the total consolidated revenues of such business.

(e) Each Seller, on the one hand, and Buyer, on the other hand, acknowledges that a violation of this Section 8.3 may cause the other party irreparable harm which may not be adequately compensated for by money damages. Each such party therefore agrees that in the event of any actual or threatened violation of this Section 8.3, the other party shall be entitled, in addition to other remedies that it may have, to seek a temporary restraining order and to seek preliminary and final injunctive relief against such party or any applicable Affiliate of such party to prevent any violations of this Section 8.3, without the necessity of posting a bond.

(f) Each Seller, on the one hand, and Buyer, on the other hand, acknowledges that the restrictions contained in this Section 8.3 are reasonable and necessary to protect the legitimate interests of the other party and constitute a material inducement to the other party to enter into this Agreement and consummate the transactions contemplated by this Agreement. In the event that any covenant contained in this Section 8.3 should ever be adjudicated to exceed the time, geographic, product or service, or other limitations permitted by applicable Requirements of Law in any jurisdiction, then any court is expressly empowered to reform such covenant, and such covenant shall be deemed reformed, in such jurisdiction to the maximum time, geographic, product or service, or other limitations permitted by applicable Requirements of Law. The covenants contained in this Section 8.3 and each provision hereof are severable and distinct covenants and provisions. The invalidity or unenforceability of any such covenant or provision as written shall not invalidate or render unenforceable the remaining covenants or provisions hereof, and any such invalidity or unenforceability in any jurisdiction shall not invalidate or render unenforceable such covenant or provision in any other jurisdiction.

Section 8.4 Insurance Matters.

(a) Except as provided in Section 8.4(b), neither Buyer nor any of its Affiliates (including the Acquired Companies) shall have any right to make claims after the Closing Date under the Seller Insurance Policies, whether the incident giving rise to any such claim occurs prior to, on or after the Closing Date. Following the Closing, the insurance requirements of Buyer, the Acquired Companies and their respective Affiliates shall be the sole responsibility of Buyer, the Acquired Companies and such Affiliates.

(b) Subject to Section 8.4(a), from and after the Closing Date, Sellers agree that, with respect to acts, omissions, events or circumstances relating to the Business that occurred or existed prior to the Closing and that are covered by the Seller Insurance Policies, they shall (or shall cause their Affiliates to) make claims under such Seller Insurance Policies on behalf of an Acquired Company, subject to all of the terms and conditions of such Seller Insurance Policies and this Agreement; provided, however, that Buyer, the Acquired Companies and their respective Affiliates, as applicable, (i) shall notify Sellers in writing of all such claims within a reasonable time period, (ii) except where Sellers bear indemnification responsibility under Article XI, shall bear a pro rata allocation of the amount of any deductibles or self-insured retentions incurred in connection with such claims under the Insurance Policies based on the aggregate amount of the claims asserted by Sellers and their Affiliates (other than the Acquired Companies), on the one hand, and Buyer, the Acquired Companies and their respective Affiliates, on the other hand, under each applicable Seller Insurance Policy and (iii) except where Sellers bear indemnification responsibility under Article XI, shall be responsible for and shall pay to Sellers all reasonable out-of-pocket expenses (including fees and expenses of third parties attributable to the handling of such claims) relating to services for claims administration, investigation, appraisals and claim review incurred by Sellers or any of their respective Affiliates on or after the Closing Date with respect to any such claims.

(c) For the avoidance of doubt, except for Section 5.19, Sellers make no representations, warranties or covenants regarding the scope, availability or amount of coverage following the Closing under any Seller Insurance Policies, plans, programs or arrangements contemplated by this Section 8.4, and shall not have any responsibility, and shall not be held liable, for the actions of the insurers under the Seller Insurance Policies regarding claims submitted by Sellers or their Affiliates on behalf of any Acquired Company. For the avoidance of doubt, this Section 8.4 shall not be construed to limit any rights of Buyer under Article XI.

Section 8.5 Replacement of Credit Support Obligations.

(a) Buyer recognizes that Sellers and certain of their respective Affiliates or third parties have provided credit support to the Business or the Acquired Companies pursuant to the Credit Support Obligations set forth on Schedule 8.5(a) and that additional Credit Support Obligations may be entered into after the date hereof in the ordinary course of the Business and consistent with past practice.

(b) With respect to such Credit Support Obligations, on or prior to the Closing Date, Buyer agrees to use, and to cause its Affiliates to use, commercially reasonable efforts to provide replacement guarantees, letters of credit, surety bonds, security deposits or other assurances of payment in form and substance reasonably satisfactory to Sellers and the respective banks or other counterparties, and Buyer and Sellers shall cooperate to obtain any release of Sellers or any of their respective Affiliates (other than the Acquired Companies) as Sellers may reasonably request in form and substance reasonably satisfactory to Sellers with respect to all such Credit Support Obligations. Seller expressly authorizes Buyer to contact the Persons to whom the Credit Support Obligations are issued for this purpose following an introduction (whether by phone, email or otherwise) by the Sellers.

(c) If Buyer is not successful, for any reason, in obtaining the complete and unconditional release of Sellers and any of their respective Affiliates (other than the Acquired Companies) from any such Credit Support Obligation prior to the Closing Date (each such Credit Support Obligation, until such time as such Credit Support Obligation is released in accordance with this Section 8.5, a "Continuing Credit Support Obligation"), then, following the Closing:

(i) Buyer and Sellers shall continue to use, and shall cause its Affiliates to continue to use, commercially reasonable efforts to obtain promptly the complete and unconditional release of Sellers and any of their respective Affiliates (other than the Acquired Companies) from each Continuing Credit Support Obligation until such release is obtained; and

(ii) Buyer shall indemnify, defend and hold harmless Sellers and their respective Affiliates from and against any claim, demand or draw upon, or withdrawal from, any Continuing Credit Support Obligation or any cash or other collateral or deposit posted by Sellers or such Affiliates in connection with or in the place of any such Continuing Credit Support Obligation and for the carrying costs of any cash collateral or deposit not replaced by Buyer or its Affiliates, the fronting fee costs, and any other out-of-pocket third party costs and expenses resulting from each such Continuing Credit Support Obligation.

Section 8.6 Retained Names and Marks.

(a) Buyer agrees and acknowledges that, except as set forth in Section 8.6(b), nothing herein grants Buyer or its Affiliates any rights in any registered or unregistered Trademarks incorporating the word “Chart” or any of the words, marks, corporate symbols, acronyms or logos listed on Schedule 8.6(a) or any derivation thereof (collectively the “Chart Marks”). Except as set forth in Section 8.6(b), Buyer shall not, and shall cause its Affiliates not to, use the Chart Marks in connection with the Business or for any other purpose following the Closing.

(b) Effective as of the Closing and until the six (6) month anniversary of the Closing (the “Marks Transition Period”), Seller and its Affiliates hereby grant to Buyer and its Affiliates a worldwide, non-exclusive, royalty-free license to use the Chart Marks in connection with the Business, including on websites and materials such as signs, purchase orders, invoices, sales orders, labels, letterheads, shipping documents, business cards and product packaging. Prior to the expiration of the Marks Transition Period, Buyer shall cause the Acquired Companies, as applicable, (i) to make all filings with any Governmental Body and take all other actions to eliminate the use of any Chart Marks from their respective corporate names, registered names, fictitious or doing-business-as names or other similar applications and (ii) to effect the elimination of any use of the Chart Marks in the Business, including by removing the Chart Marks from their respective signage, stationary, purchase orders, invoices, labels, packaging, business cards, equipment, machinery and advertising materials; provided, however, that with respect to paper goods and other similar inventory items, Buyer shall be permitted to allow the Acquired Companies to use any such amounts of materials existing at the Closing until they are depleted; provided further, however, that, notwithstanding the foregoing, with respect to Chart China, the Marks Transition Period shall be deemed to terminate upon the three (3) month anniversary of the China Transfer rather than the Closing.

(c) Notwithstanding the foregoing, subject to Section 12.2, Buyer and its Affiliates shall be permitted to communicate to third parties that they have purchased the Acquired Companies from Sellers and reference such names in such communications (including with reference to Parent).

Section 8.7 China Transition Period; China Transfer.

(a) The parties acknowledge and agree that the De-Merger shall not be completed as of the Closing Date, and therefore, that the China Transfer shall not be consummated until after the Closing Date. Following the date hereof, Sellers shall use their reasonable best efforts to complete the De-Merger as soon as reasonably practicable (which includes, for the avoidance of doubt, the expiration of a twelve (12) month holding period of the China Shares by Chart Asia following the De-Merger Date), and Buyer shall cooperate reasonably with Sellers with respect thereto. Thereafter, the parties shall cooperate reasonably to consummate the China Transfer as soon as practicable following the completion of the De-Merger.

(b) During the China Transition Period, the parties agree, subject to applicable Requirements of Law, that the Business in Chart China shall be held, managed and operated, and that Sellers shall cause the Business in Chart China to be held, managed and operated, in all respects by Buyer and for Buyer's account, with all gains, income, losses, assets, liabilities, Taxes, Tax benefits and other items generated solely for Buyer's benefit and burden. Without limiting the generality of the foregoing, during the China Transition Period, Sellers shall (i) use their reasonable best efforts, and shall reasonably cooperate with Buyer, to allow Buyer to receive the uninterrupted control, benefit and burden of the Business in Chart China, (ii) grant to Buyer and its Affiliates and their respective employees, agents and representatives, as applicable, the right and license to enter into and occupy Chart China's facility to the same extent, and for the same purposes, as entered into and used by the Business as of immediately prior to the Closing, and as is otherwise necessary to allow such Persons to hold, manage and operate the Business in Chart China pursuant to this Section 8.7(b), and (iii) for the avoidance of doubt, Sellers shall cause Chart China not to take any action set forth in Section 7.4(b)(i) through Section 7.4(b)(xi) without Buyer's prior written consent.

(c) For the purpose of Section 8.7(b), Sellers shall (i) grant to Buyer the decision-making rights of all operational affairs of the Business in Chart China irrevocably during the China Transition Period, (ii) following the De-Merger Date and the consummation of the relevant business separation, appoint a new board of directors and legal representative of Chart China with individuals selected by Buyer (and any changes to such board of directors and legal representative thereafter shall be made at Buyer's sole direction and expense), and (iii) complete all relevant administrative procedures for the registration of such board of directors and legal representative at the applicable time in accordance with applicable Requirements of Law.

(d) During the China Transition Period, Sellers shall use their reasonable best efforts to, as promptly as practicable following the De-Merger Date, transfer the real property title and ownership of the Chart China facility from Chart China to Spinco, and thereafter, Chart Asia shall assign the China Lease Agreement (pursuant to its terms) to Spinco as landlord thereunder.

(e) Following the Closing Date, Sellers and their Affiliates shall have no Liability, and shall have no obligation to indemnify and hold harmless the Buyer's Group Members, for Losses and Expenses arising out of, based upon or relating to the operation of the Business in Chart China during the China Transition Period, other than in respect of a breach of this Agreement, gross negligence or willful misconduct by or on behalf of Sellers or their Affiliates; provided, however, that Sellers and their Affiliates shall have no Liability for any such Losses and Expenses to the extent arising out of, based upon or relating to actions taken thereby in accordance with the request or direction of Buyer or its Affiliates. Other than as set forth in the foregoing sentence, Buyer and its Affiliates shall indemnify and hold harmless the Seller Group Members with respect to the operation of the Business in Chart China during the China Transition Period (including, for the avoidance of doubt, in respect of any Third Person Claim that arises out of or results from any violation of applicable Requirements of Law or Contracts by the Business or its employees).

Neither Buyer nor any Seller may rely on the failure of any condition set forth in this Article IX to be satisfied if such failure was caused by such party's failure to act in good faith or to use its reasonable best efforts to cause the Closing to occur, as required by Section 7.3(b).

ARTICLE X

TERMINATION

Section 10.1 Termination. Notwithstanding anything to the contrary herein, this Agreement may be terminated and the transactions contemplated hereby abandoned at any time prior to the Closing solely as follows:

(a) by mutual written consent of Chart US (on behalf of Sellers) and Buyer;

(b) on or after the End Date, by Chart US (on behalf of Sellers), on the one hand, or Buyer, on the other hand, by written notice to the other party if the Closing has not occurred on or before the date such notice is given; provided, however, that the right to terminate this Agreement under this Section 10.1(b) shall not be available to any party whose failure to fulfill any obligation under this Agreement has been the primary cause of, or resulted in, the failure of the Closing to occur on or before such date;

(c) by Chart US (on behalf of Sellers) by written notice to Buyer if (i) the condition set forth in Section 9.1(a) shall have become incapable of fulfillment (without regard to the End Date) or (ii) Buyer has breached, or caused the breach of, its representations, warranties, covenants, agreements or other obligations hereunder in a manner that would reasonably be expected to cause the conditions set forth in Section 9.2(a) or Section 9.2(b) not to be satisfied and such breach has not been cured within thirty (30) days following written notification thereof to Buyer by Chart US;

(d) by Buyer by written notice to Chart US (on behalf of Sellers) if (i) the condition set forth in Section 9.1(a) shall have become incapable of fulfillment (without regard to the End Date) or (ii) any Seller has breached, or caused the breach of, its representations, warranties, covenants, agreements or other obligations hereunder in a manner that would reasonably be expected to cause the conditions set forth in Section 9.3(a) or Section 9.3(b) not to be satisfied and such breach has not been cured within thirty (30) days following written notification thereof to Chart US (on behalf of Sellers) by Buyer; or

(e) by either Chart US (on behalf of Sellers), on the one hand, or Buyer, on the other hand, by giving written notice to the other if any Governmental Body with competent jurisdiction shall have issued an Order or taken any other action permanently restraining, enjoining or otherwise prohibiting the consummation of any of the transactions contemplated by this Agreement, and such Order or other action shall not be subject to appeal or shall have become final and non-appealable; provided, however, that the right to terminate this Agreement under this Section 10.1(e) shall not be available to any party whose action or failure to act (including the breach of this Agreement) has resulted in such Order or other action.

Section 10.2 Effect of Termination. In the event this Agreement is terminated pursuant to Section 10.1, all further obligations of the parties hereunder shall terminate and this Agreement shall become null and void and of no further force and effect, except for this Section 10.2 and Article XII, and except that such termination shall not relieve any party of any liability for any breach of this Agreement or fraud prior to such termination.

ARTICLE XI

INDEMNIFICATION

Section 11.1 Indemnification by Chart US.

(a) Subject to the limitations set forth in this Article XI, from and after the Closing, Chart US (on behalf of Sellers) agrees to indemnify and hold harmless each Buyer's Group Member from and against any and all Losses and Expenses incurred by such Buyer's Group Member in connection with or arising from (i) any breach of any warranty or the

inaccuracy of any representation contained in Article IV or Article V or any certificate delivered by or on behalf of Sellers pursuant to this Agreement, (ii) any breach by any Seller of, or the failure by such Seller to perform, any of such Seller's covenants or obligations contained in this Agreement, (iii) any Indemnifiable Proceeding, (iv) the Reorganization, including, for the avoidance of doubt, any purchase price or other similar consideration owed by the Acquired Companies, Expenses and Taxes in connection therewith and any Third Person Claims arising therefrom, (v) the Retained Business, (vi) any matters as set forth in Schedules 5.10(a), (b), (c) and (d), (vii) the matters set forth on Schedule 11.1(a)(vii), (viii) the matters set forth on Schedule 11.1(a)(viii), (ix) Phase 1 and/or Phase 2 of the Operational Efficiency Measures, and (x) any Transaction Expenses or Indebtedness to the extent not paid prior to or at Closing or pursuant to Section 2.3;

provided, however, that Chart US shall be required to indemnify and hold harmless Buyer's Group Members under clause (i) of this Section 11.1(a) with respect to Losses and Expenses incurred by such Buyer's Group Members only to the extent that:

(x) the amount of such Losses and Expenses suffered by Buyer's Group Members related to each individual claim or series of related claims exceeds \$50,000 (it being understood that (A) such amount shall be a deductible for which Chart US shall bear no indemnification responsibility and (B) any claim equal to or less than \$50,000 shall be disregarded in the determination of the aggregate amount of Losses and Expenses pursuant to Section 11.1(a)(y), below);

(y) the aggregate amount of such Losses and Expenses exceeds \$1,001,250 (the "Deductible"); (it being understood that such amount shall be a deductible for which Chart US shall bear no indemnification responsibility); and

(z) the aggregate amount required to be paid by Chart US does not exceed \$13,350,000 (the "Cap");

provided further, however, that (1) the foregoing clauses (x), (y) and (z) shall not apply with respect to Losses and Expenses incurred by Buyer's Group Members in respect of (A) any breach or inaccuracy of the representations and warranties set forth in Sections 4.1 (Organization; Power and Authority), 4.2 (Title to Shares), 4.4 (No Brokers), 5.1 (Organization; Capital Structure of the Acquired Companies; Power and Authority), 5.2 (Subsidiaries) and 5.22 (No Brokers) (collectively, the "Seller Fundamental Representations"), (B) fraud by any Seller, or (C) any breach or inaccuracy of the representations and warranties set forth in Section 5.6 (Taxes), and (2) for purposes of this Article XI, Buyer shall be deemed to have acquired Chart China as of the Closing Date; and

provided further, however, that Chart US shall be required to indemnify and hold harmless Buyer's Group Members under Section 11.1(a)(viii) with respect to Losses and Expenses incurred by such Buyer's Group Members only to the extent that the aggregate amount of such Losses and Expenses exceeds the Deductible.

(b) (i) Except with respect to breaches or inaccuracies of the Seller Fundamental Representations or the representations and warranties set forth in Sections 5.6 (Taxes) and 5.16 (Environmental Matters) and the Tax Indemnity, the indemnification provided for in Section 11.1(a)(i) shall terminate upon the eighteen (18) month anniversary of the Closing Date, (ii) the indemnification provided for in Section 11.1(a)(i) shall, with respect to breaches or inaccuracies of the Seller Fundamental Representations only, survive in perpetuity and shall not terminate, (iii) the indemnification provided for in Section 11.1(a)(i), with respect to breaches or inaccuracies of the representations and warranties set forth in Section 5.6 (Taxes) only, and the Tax Indemnity, shall each terminate sixty (60) days after the expiration of the statute of limitations period applicable to the matters covered thereby, (iv) the indemnification provided for in Section 11.1(a)(i) shall, with respect to breaches or inaccuracies of the representations and warranties set forth in Section 5.16 (Environmental Matters) only, terminate upon the thirty-six (36) month anniversary of the Closing Date and (v) the indemnification provided for in Section 11.1(a)(ii) shall terminate in accordance with the expiration of the terms of the covenants covered thereby or, if no term is expressly stated, upon the expiration of the statute of limitations period applicable to the matters covered thereby, and, in each case, no claims shall be made by any Buyer's Group Member under Section 11.1(a) thereafter, except that the indemnification by Chart US shall continue as to any Losses or Expenses with respect to which any Buyer's Group Member has validly given a Claim Notice to Chart US in accordance with the requirements of Section 11.3 on or prior to the date such indemnification would otherwise terminate in accordance with this Section 11.1(b), as to which the obligation of Chart US shall continue solely with respect to the specific matters in such Claim Notice until the liability of Chart US shall have been determined pursuant to this Article XI, and Chart US shall have reimbursed all Buyer's Group Members for the full amount of such Losses and Expenses that are payable with respect to such Claim Notice, in accordance with and subject to the limitations set forth in this Article XI.

(c) Notwithstanding anything contained in this Agreement to the contrary, the maximum aggregate liability of Chart US pursuant to this Article XI shall not exceed the amount of the Base Purchase Price, except with respect to fraud by any Seller.

(d) For purposes of this Article XI, any inaccuracy in or breach of any representation or warranty and the amount of Losses and Expenses in connection therewith or arising therefrom shall be determined without regard to any materiality, Material Adverse Effect or other similar qualification contained in or otherwise applicable to such representation or warranty, except as part of the defined term "Material Contract".

Section 11.2 Indemnification by Buyer.

(a) Subject to the limitations set forth in this Article XI, from and after the Closing, Buyer agrees to indemnify and hold harmless each Seller Group Member from and against any and all Losses and Expenses incurred by such Seller Group Member in connection with or arising from (i) any breach of any warranty or the inaccuracy of any representation of Buyer contained in Article VI or any certificate delivered by or on behalf of Buyer pursuant to this Agreement and (ii) any breach by Buyer of, or failure by Buyer to perform, any of its covenants or obligations contained in this Agreement.

(b) (i) Except with respect to breaches or inaccuracies of the representations and warranties set forth in Sections 6.1 (Organization of Buyer), 6.2(a) (Authority of Buyer; Conflicts), 6.5 (Investment Intent) and 6.7 (No Brokers) (collectively, the “Buyer’s Fundamental Representations”), the indemnification provided for in Section 11.2(a)(i) shall terminate upon the twelve (12) month anniversary of the Closing Date, (ii) the indemnification provided for in Section 11.2(a)(i) shall, with respect to breaches or inaccuracies of the Buyer’s Fundamental Representations only, survive in perpetuity and shall not terminate and (iii) the indemnification provided for in Section 11.2(a)(ii) shall terminate in accordance with the expiration of the terms of the covenants covered thereby or, if no term is expressly stated, upon the expiration of the statute of limitations period applicable to the matters covered thereby, and, in each case, no claims shall be made by any Seller Group Member under Section 11.2(a) thereafter, except that the indemnification by Buyer shall continue as to any Losses or Expenses with respect to which any Seller Group Member has validly given a Claim Notice to Buyer in accordance with the requirements of Section 11.3 on or prior to the date such indemnification would otherwise terminate in accordance with this Section 11.2(b), as to which the obligation of Buyer shall continue solely with respect to the specific matters in such Claim Notice until the liability of Buyer shall have been determined pursuant to this Article XI, and Buyer shall have reimbursed such Seller Group Member for the full amount of such Losses and Expenses that are payable with respect to such Claim Notice, in accordance with and subject to the limitations set forth in this Article XI.

(c) Notwithstanding anything contained in this Agreement to the contrary, the maximum aggregate liability of Buyer pursuant to this Article XI shall not exceed the amount of the Base Purchase Price.

Section 11.3 Claims Procedures.

(a) Subject to Section 11.4 with respect to Third Person Claims and Section 11.5 with respect to Indemnifiable Proceedings, any party hereto seeking indemnification hereunder (the “Indemnified Party”) shall deliver to the party obligated to provide indemnification to such Indemnified Party (the “Indemnitor”) a notice (a “Claim Notice”), which shall be delivered promptly after the Indemnified Party acquires actual knowledge of the basis for a claim for indemnification hereunder and which shall describe in reasonable detail the facts giving rise to such claim, and shall include in such Claim Notice (if then known) the amount, or the method of computation of the amount, of such claim and a reference to the provision of this Agreement or any other agreement, document or instrument executed hereunder or in connection herewith upon which such claim is based; provided, however, that the failure or delay of the Indemnified Party to provide a Claim Notice promptly to the Indemnitor shall not relieve the Indemnitor of its obligations hereunder except to the extent the Indemnitor shall have been materially prejudiced by such failure or delay.

(b) After the timely delivery of any Claim Notice pursuant to Section 11.3(a), the amount of indemnification to which an Indemnified Party shall be entitled under this Article XI shall be determined (i) by the written agreement between the Indemnified Party and the Indemnitor, (ii) by a final judgment or decree of any court of competent jurisdiction or (iii) by any other means to which the Indemnified Party and the Indemnitor shall agree in writing. The judgment or decree of a court shall be deemed final when the time for appeal, if any, shall have expired and no appeal shall have been taken or when all appeals taken shall have been finally determined. The Indemnified Party shall have the burden of proof in establishing the amount of Losses and Expenses suffered by it.

Section 11.4 Third Person Claims.

(a) Any party seeking indemnification provided under this Agreement in respect of, arising out of or involving a claim or demand made by any third Person against the Indemnified Party, other than an Indemnifiable Proceeding (a “Third Person Claim”), shall notify the Indemnitor in writing, and in reasonable detail, of the Third Person Claim within ten (10) Business Days (or reasonably more promptly dependent upon the circumstances) after receipt by such Indemnified Party of written notice of the Third Person Claim. Thereafter, the Indemnified Party shall deliver to the Indemnitor, within ten (10) Business Days after the Indemnified Party’s receipt thereof, copies of all notices and documents (including court papers) received by the Indemnified Party relating to the Third Person Claim. Any notice of a claim by reason of any of the representations, warranties or covenants contained in this Agreement shall refer to the provision of this Agreement upon which such claim is based and describe in reasonable detail (to the extent known) the facts giving rise to an alleged basis for the claim and the amount of the liability asserted against the Indemnitor by reason of the Third Person Claim; provided, however, that the failure or delay of the Indemnified Party to give notice to the Indemnitor as provided in this Section 11.4 shall not relieve the Indemnitor of its obligations hereunder except to the extent the Indemnitor shall have been materially prejudiced by such failure.

(b) In the event of the initiation of a Third Person Claim, the Indemnitor shall have the sole and absolute right after the receipt of notice, at its option and at its own expense, to retain counsel, which counsel shall be reasonably acceptable to the Indemnified Party, and to control, defend against, negotiate, settle or otherwise deal with any Proceeding which relates to any Losses and Expenses indemnified against hereunder; provided, however, that the Indemnified Party may participate in any such Proceeding with counsel of its choice and at its expense; provided further, however, that the Indemnitor shall not be entitled to assume or continue control of the defense of any Third Person Claim if (i) the Third Person Claim is a criminal Proceeding, (ii) the Third Person Claim seeks, as its primary purpose, an injunction or equitable relief against any Indemnified Party, (iii) the potential Losses and Expenses that the Indemnified Party may suffer as a result of the Third Party Claim is subject to, and (in combination with all other such Losses and Expenses with respect to which indemnification is sought) is likely to exceed the Cap, or (iv) the Third Person Claim is asserted by a customer of any Acquired Company (except if such customer is also a customer of Sellers or their Affiliates). By assuming control over the defense, negotiation and settlement of the Third Party Claim, Indemnitor shall be deemed to have confirmed its obligation to indemnify the Indemnified Party with respect to any Losses and Expenses arising therefrom as relating thereto. The parties hereto agree to cooperate fully with each other in connection with the defense, negotiation or settlement of any Third Person Claim at the Indemnitor’s expense. To the extent the Indemnitor elects not to defend such Third Person Claim, or is not entitled to defend such Third Person Claim pursuant to this Section 11.4(b), and the Indemnified Party defends against or otherwise deals therewith, the Indemnified Party may retain counsel at the expense of the Indemnitor, which counsel shall be reasonably acceptable to the Indemnitor, and control the defense of such Proceeding; provided, however, that the Indemnitor shall be obligated pursuant to this Section 11.4 to pay for only one firm of counsel, per applicable jurisdiction, for all Indemnified Parties.

(c) Neither the Indemnitor nor the Indemnified Party may settle any such Proceeding which settlement obligates the other party to pay money, to perform obligations (including to refrain from taking any actions) or to admit liability without the prior written consent of the other party, such consent not to be unreasonably withheld, conditioned or delayed. If the Indemnified Party shall refuse to consent to the settlement of any Third Person Claim, so long as (i) only money damages are involved (ii), there is no admission of liability or wrongdoing with respect to the Indemnified Party and (iii) the Indemnitor agrees that it has indemnification responsibility to all amounts of such money damages under this Article XI, the liability of the Indemnitor in respect of such Third Person Claim shall not exceed the amount for which the Third Person Claim could have been settled plus the amount of expenses incurred by the Indemnified Party prior to the time of and in connection with the proposed settlement to which it is entitled to indemnification.

(d) To the extent of any inconsistency between this Section 11.4 and Section 8.1(d) (relating to Tax contests), the provisions of Section 8.1(d) shall control with respect to Tax contests.

Section 11.5 Indemnifiable Proceedings.

(a) In the event that any Buyer's Group Member receives any notices or documents (including court papers) relating to any Indemnifiable Proceeding, Buyer shall deliver or cause to be delivered copies thereof to Chart US as promptly as practicable (and in any event within ten (10) Business Days after the applicable Buyer's Group Member's receipt thereof).

(b) Chart US shall control, defend against, negotiate, settle and otherwise deal with each Indemnifiable Proceeding at its own expense with counsel reasonably acceptable to Buyer (and Buyer hereby agrees that each counsel handling each such Indemnifiable Proceeding as of the date hereof shall be deemed acceptable). Buyer shall and shall cause its Affiliates to cooperate reasonably with Chart US at Chart US's expense (including Buyer's reasonable attorneys' fees, to the extent attorneys are required) in connection with the defense, negotiation and settlement of any Indemnifiable Proceeding, including by making witnesses, documents, equipment and products (including parts and components) which are the subject of any such Indemnifiable Proceeding available promptly and as reasonably requested, and by preserving relevant data, documents, equipment and products (including parts and components).

Section 11.6 Determination of Indemnification Amounts.

(a) Without limiting the effect of any other limitations contained in this Article XI, for purposes of computing the amount of any and all Losses and Expenses recoverable under this Article XI, there shall be deducted (i) an amount equal to the amount of any Tax Benefit recognized by the Indemnified Party or any of its Affiliates in connection with such Losses and Expenses or any of the circumstances giving rise thereto in the year in which such Loss or Expense is incurred, or recognized in the subsequent year, and (ii) an amount equal to the amount of any insurance proceeds, indemnification payments, contribution payments or

reimbursements actually received (net of costs of enforcement, deductibles and retro-premium adjustments) by the Indemnified Party or any of its Affiliates in connection with such Losses or Expenses or any of the circumstances giving rise thereto (it being understood that the Indemnified Party and any of its Affiliates shall use commercially reasonable efforts to obtain such Tax Benefits, proceeds, payments or reimbursements). The calculation of Losses and Expenses shall not include losses arising because of a change after the Closing in applicable Requirements of Law or accounting principles. For purposes hereof, “Tax Benefit” shall mean any actual refund or credit of Taxes to be paid or reduction in the amount of Taxes which otherwise would be owed in the absence of indemnifiable Losses and Expenses by the Indemnified Party or its Affiliates, as applicable, in each case computed at the highest marginal tax rates applicable to the recipient of such benefit and assuming that such Loss or Expense is the last item to be recognized during the period incurred.

(b) Any indemnification payment under this Agreement shall be treated as an adjustment to the Purchase Price for Tax purposes.

(c) In any case where an Indemnified Party recovers from third Persons any amount in respect of a matter with respect to which an Indemnitor has indemnified it pursuant to this Article XI, such Indemnified Party shall promptly pay over to the Indemnitor the amount so recovered (after deducting therefrom the full amount of the expenses incurred by it in procuring such recovery), but not in excess of the sum of any amount previously so paid by the Indemnitor to or on behalf of the Indemnified Party in respect of such matter.

(d) Each of the parties hereto agrees to use its commercially reasonable efforts to mitigate their respective Losses and Expenses upon and after becoming aware of any event or condition which could reasonably be expected to give rise to any Losses and Expenses that are indemnifiable hereunder.

(e) The representations, warranties and covenants of the Indemnifying Party, and the Indemnified Party’s right to indemnification with respect thereto, shall not be affected or deemed waived by reason of any investigation made by or on behalf of the Indemnified Party (including by any of its officers, directors, employees, consultants, financial advisors, legal counsel, and accountants) or by reason of the fact that the Indemnified Party or any of its Representatives knew or should have known that any such representation or warranty is, was or might be inaccurate or by reason of the Indemnified Party’s waiver of any condition set forth in Section 9.1, Section 9.2 or Section 9.3, as the case may be. Chart US (on behalf of Sellers) shall not be required to indemnify and hold harmless any Buyer’s Group Member pursuant to Section 11.1 to the extent the matter in question was taken into account in the computation of the Purchase Price pursuant to Sections 2.3 and 2.4.

Section 11.7 Exclusive Remedy. Each Seller, on the one hand, and Buyer, on the other hand, acknowledges and agrees that, from and after the Closing, except in the case of fraud and except for the equitable remedies expressly contemplated in Section 12.14, its sole and exclusive remedy against the other party and its respective Affiliates, including for the Losses and Expenses of any Buyer’s Group Member or Seller Group Member, as applicable, relating to the subject matter of this Agreement or the transactions contemplated hereby, regardless of whether such claims arise in contract, tort, breach of warranty or any other legal or equitable theory, shall be pursuant to the indemnification provisions set forth in this Article XI. Without limiting the generality of the foregoing, the parties hereto hereby irrevocably waive any right of rescission they may otherwise have or to which they may become entitled.

Section 11.8 Indemnification Agreement. Notwithstanding anything contained herein to the contrary, Sellers shall have no indemnification responsibility or other Liability hereunder with respect to any amounts actually received (net of all Expenses reasonably incurred by Buyer in procuring such recovery) by CAIRE and its Affiliates under the Indemnification Agreement; provided, however, that Buyer shall use, and shall cause CAIRE and its Affiliates to use, reasonable best efforts to fully recover under the Indemnification Agreement for any Loss indemnifiable thereunder prior to making any indemnification claim hereunder that would otherwise be the indemnification responsibility of Sellers under this Article VII; provided, further, that, promptly following any written request of Buyer, Sellers and their Affiliates shall reasonably cooperate with Buyer in connection with any such indemnifiable matter and make available to Buyer (in each case at Buyer's expense) all witnesses, pertinent records, materials and information in the possession or control of Sellers and their Affiliates related thereto.

ARTICLE XII

GENERAL PROVISIONS

Section 12.1 Confidential Nature of Information.

(a) For the avoidance of doubt, the parties hereto acknowledge and agree that the Confidentiality Agreement remains in full force and effect in accordance with its terms following the date hereof. From and after the Closing, however, Buyer shall not be subject to any restriction with respect to any information concerning the Acquired Companies, except as set forth in this Agreement.

(b) From and after the Closing, Sellers shall, and shall cause their Affiliates and their and their Affiliates' respective officers, directors, employees, consultants, financial advisors, legal counsel, and accountants (the "Representatives") to, hold in confidence and not use for any purpose any and all information, whether written or oral, concerning the Acquired Companies, including the Business, assets, employees, products, customers and suppliers thereof, except to the extent that such information: (i) is, or thereafter becomes, generally available to and known (with respect to information that does not constitute personally identifiable information) by the public other than as a result of a breach of this Agreement by any Seller, any of their Affiliates or their Representatives; (ii) is lawfully acquired by Sellers, any of their Affiliates or their Representatives from and after the Closing from sources other than the Acquired Companies, which are not known by such Seller, such Affiliate or such Representative to be prohibited from disclosing such information by a legal, contractual or fiduciary obligation; (iii) is independently developed by any Seller, its Affiliates or their Representatives without reference to or use of, in whole or in part, any of the Acquired Companies' confidential or proprietary information; (iv) is reasonably required by any Seller, its Affiliates or their Representatives in connection with the transactions contemplated hereby or any disputes or actions in connection therewith or arising therefrom; (v) is reasonably required by any Seller, its Affiliates or their Representatives for Tax reporting or filing purposes or preparation of financial

statements; (vi) is required to be incorporated into or consolidated with financial and/or tax information of other businesses of Sellers or their Affiliates, (vii) is disclosed to any other Person to which such delivery or disclosure may be necessary or appropriate in connection with any Proceeding (including pursuant to a written or oral question or request for information or documents); or (viii) to the extent requested or required by any Seller, its Affiliates or their Representatives to comply with applicable Requirements of Law or accounting requirements (including any stock exchange rules). If Sellers or any of their Affiliates or their Representatives are compelled to disclose any information, subject to the foregoing clauses (i) through (viii), by judicial or administrative process or by other Requirements of Law, Sellers shall, to the extent permitted by Requirements of Law, promptly notify Buyer in writing and shall disclose only that portion of such information which is legally required to be disclosed, provided, that Sellers shall use commercially reasonable efforts to obtain an appropriate protective order or other reasonable assurance that confidential treatment will be accorded such information.

Section 12.2 No Public Announcement. Neither Buyer, on the one hand, nor Sellers, on the other hand, shall, without the prior written approval of the other (which approval shall not be unreasonably withheld, conditioned or delayed), make or cause to be made any press release or other public announcement concerning the transactions contemplated by this Agreement, except as and to the extent that any such party shall be so obligated by applicable Requirements of Law or stock exchange rules, in which case the other party shall be advised and the parties shall use their reasonable efforts to cause a mutually agreeable release or announcement to be issued.

Section 12.3 Notices. All notices or other communications required or permitted hereunder shall be in writing and shall be deemed given or made immediately when delivered personally, five (5) Business Days after it is sent by registered or certified mail (postage prepaid, return receipt requested), when sent by email, upon confirmation of receipt by the recipient (except pursuant to an automatic read receipt type confirmation) or three (3) Business Days after sent by an internationally recognized overnight courier service, addressed as follows:

Section 12.4 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. Notwithstanding the foregoing, no party to this Agreement may assign its rights or delegate its obligations under this Agreement without the express prior written consent of the other parties to this Agreement, except that each party shall be permitted to assign its rights and delegate its obligations hereunder to an Affiliate of such party; provided that no such assignment or delegation will relieve the assigning party of its obligations hereunder.

Section 12.5 Access to Records after Closing.

For a period of seven (7) years after the Closing Date, Sellers and their respective Affiliates and Representatives shall have reasonable access to all of the books and records of the Acquired Companies to the extent that such access may reasonably be required by any such Seller in connection with any matter relating to or affected by the operations of the Acquired Companies on or prior to the Closing Date; provided, however, that Buyer shall not be required to violate any obligation of confidentiality to which Buyer or any Acquired Company is subject or to waive any privilege which any of them may possess in discharging its obligations pursuant to this Section 12.5; provided further, however, that in any such case, Buyer shall, and shall cause any applicable Acquired Company to, reasonably cooperate with Sellers at Seller's expense to seek an appropriate remedy to permit the access contemplated hereby. Such access shall be afforded by Buyer upon receipt of reasonable advance notice and during normal business

hours; provided, however, that each Seller acknowledges and agrees that such access shall not interfere unreasonably with the operations of the Acquired Companies or Buyer. Each Seller shall be solely responsible for any costs or expenses incurred by it pursuant to this Section 12.5. If Buyer or the Acquired Companies shall desire to dispose of any of such books and records prior to the expiration of such seven (7)-year period, Buyer shall, prior to such disposition, give Sellers a reasonable opportunity, at Sellers' expense, to segregate and remove such books and records as any Seller may select.

Section 12.6 Entire Agreement; Amendments. This Agreement, the Exhibits and Schedules referred to herein, the documents delivered pursuant hereto and the Confidentiality Agreement contain the entire understanding of the parties hereto with regard to the subject matter contained herein or therein, and supersede all other prior representations, warranties, agreements, understandings or letters of intent between or among any of the parties hereto or their respective Affiliates. This Agreement (including the Exhibits and the Schedules) shall not be amended, modified or supplemented except by a written instrument signed by Buyer and Chart US (on behalf of Sellers).

Section 12.7 Interpretation. Disclosure of any fact or item in any Schedule hereto referenced by a particular section in this Agreement shall be deemed to have been disclosed with respect to every other section in this Agreement and the Schedule related thereto so long as the applicability of such matter to such section or Schedule is reasonably apparent on the face of such disclosure. Neither the specification of any dollar amount in any representation or warranty contained in this Agreement nor the inclusion of any specific item in any Schedule hereto is intended to imply that such amount, or higher or lower amounts, or the item so included or other items, are or are not material, and no party shall use the fact of the setting forth of any such amount or the inclusion of any such item in any dispute or controversy between the parties as to whether any obligation, item or matter not described herein or included in any Schedule is or is not material for purposes of this Agreement. Unless this Agreement specifically provides otherwise, neither the specification of any item or matter in any representation or warranty contained in this Agreement nor the inclusion of any specific item in any Schedule hereto is intended to imply that such item or matter, or other items or matters, are or are not in the ordinary course of business, and no party shall use the fact of the setting forth or the inclusion of any such item or matter in any dispute or controversy between the parties as to whether any obligation, item or matter not described herein or included in any Schedule is or is not in the ordinary course of business for purposes of this Agreement.

Section 12.8 Waivers. Any term or provision of this Agreement may be waived, or the time for its performance may be extended, by the party or parties entitled to the benefit thereof. Any such waiver shall be validly and sufficiently authorized for the purposes of this Agreement if, as to any party, it is authorized in writing by an authorized representative of such party. The failure of any party hereto to enforce at any time any provision of this Agreement shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Agreement or any part hereof or the right of any party thereafter to enforce each and every such provision. No waiver of any breach of this Agreement shall constitute a continuing waiver or shall be held to constitute a waiver of any other or subsequent breach.

Section 12.9 Expenses. Except as expressly set forth herein, each party hereto will pay all costs and expenses incident to its negotiation and preparation of this Agreement and to its performance and compliance with all agreements and conditions contained herein on its part to be performed or complied with, including the fees, expenses and disbursements of its counsel and independent public accountants.

Section 12.10 Partial Invalidity. Wherever possible, each provision hereof shall be interpreted in such manner as to be effective and valid under applicable law, but in case any one or more of the provisions contained herein shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, such provision shall be ineffective to the extent, but only to the extent, of such invalidity, illegality or unenforceability without invalidating the remainder of such invalid, illegal or unenforceable provision or provisions or any other provisions hereof, unless such a construction would be unreasonable.

Section 12.11 Execution in Counterparts. This Agreement may be executed in counterparts, each of which shall be considered an original instrument, but all of which shall be considered one and the same agreement, and shall become binding when one or more counterparts have been signed by each of the parties hereto and delivered to Sellers and Buyer. Delivery of an executed counterpart by PDF shall be effective as delivery of a manually executed counterpart to this Agreement.

Section 12.12 Further Assurances. Each of the parties hereto agrees to use its reasonable best efforts to take or cause to be taken all action, to do or cause to be done, and to assist and cooperate with the other party in doing, all things necessary, proper or advisable under applicable laws and regulations or otherwise to consummate and make effective, in the most expeditious manner practicable, the transactions contemplated by this Agreement, including the execution and delivery of such instruments, and the taking of such other actions as the other party hereto may reasonably require in order to carry out the intent of this Agreement.

Section 12.13 Disclaimer of Warranties. No Seller makes any representations or warranties with respect to any projections, forecasts or forward-looking information provided to Buyer. **EXCEPT FOR THE REPRESENTATIONS AND WARRANTIES EXPRESSLY SET FORTH IN THIS AGREEMENT, EACH SELLER IS SELLING THE APPLICABLE SHARES (AND THE BUSINESS AND ASSETS OF THE ACQUIRED COMPANIES REPRESENTED THEREBY) ON AN “AS IS, WHERE IS” BASIS AND EACH SELLER DISCLAIMS ALL OTHER REPRESENTATIONS AND WARRANTIES, WHETHER EXPRESS OR IMPLIED, AND NO SELLER MAKES ANY REPRESENTATION OR WARRANTY AS TO MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE AND NO IMPLIED WARRANTIES WHATSOEVER.** Except as specifically referenced herein or in the Schedules, Buyer acknowledges that neither Seller nor any of its representatives or Affiliates, nor any other Person, has made any representation or warranty, express or implied, as to the accuracy or completeness of any diligence materials heretofore made available by any Seller or any of its representatives or Affiliates to Buyer, and neither Seller nor any of its representatives or Affiliates, nor any other Person, will have or be subject to any liability to Buyer, any Affiliate of Buyer or any other Person resulting from the distribution of any such information to, or use of any such information by, Buyer, any Affiliate of Buyer or any of their agents, consultants, accountants, counsel or other representatives. Buyer acknowledges and agrees that it is not entitled to rely upon any representations or warranties or other statements of fact or opinion, other than the representations and warranties expressly set forth in this Agreement.

Section 12.14 Enforcement. Each of the parties hereto agrees that irreparable damage may occur in the event that any of the provisions of this Agreement to be performed by Buyer or Sellers are not performed in accordance with their specific terms or are otherwise breached. Accordingly, prior to any termination of this Agreement pursuant to Section 10.1, Buyer, on the one hand, and Sellers, on the other hand (as applicable), shall be entitled to specific performance of the terms hereof, including an injunction or injunctions to prevent breaches of this Agreement by the other parties, as applicable, and to enforce specifically the terms and provisions of this Agreement in any federal or state court located in the State of Delaware, this being in addition to any other remedy to which such party is entitled at law or in equity. Buyer and Sellers hereby further waive (i) any defense in any Proceeding for specific performance that a remedy at law would be adequate and (ii) any Requirements of Law to post security as a prerequisite to obtaining equitable relief.

Section 12.15 Non-Recourse.

(a) Notwithstanding anything to the contrary herein or in any other documents delivered pursuant hereto, (i) this Agreement may only be enforced against, and any Proceeding based upon, arising out of or related to a breach of this Agreement by Sellers may only be made against, Sellers, (ii) none of Sellers' Affiliates or Sellers' or their Affiliates' respective current, former or future directors, officers, employees, agents, partners, managers, members, stockholders, assignees, or representatives (collectively, the "Seller Related Parties") shall have any liability in connection with this Agreement or any Proceeding in connection therewith (whether in tort, contract or otherwise), and (iii) Buyer shall have no rights of recovery in respect of this Agreement against any Seller Related Party, whether by or through attempted piercing of the corporate veil, by or through any Proceeding (whether in tort, contract or otherwise) by or on behalf of any Seller against any Seller Related Party, by the enforcement of any judgment, fine or penalty or by virtue of any statute, regulation or other applicable Requirements of Law, or otherwise.

(b) Notwithstanding anything to the contrary herein or in any other documents delivered pursuant hereto, (i) this Agreement may only be enforced against, and any Proceeding based upon, arising out of or related to a breach of this Agreement by Buyer may only be made against, Buyer, (ii) none of Buyer's Affiliates or Buyer's or its Affiliates' respective current, former or future directors, officers, employees, agents, partners, managers, members, stockholders, assignees, or representatives (collectively, the "Buyer's Related Parties") shall have any liability in connection with this Agreement or any Proceeding in connection therewith (whether in tort, contract or otherwise), and (iii) no Seller shall have any rights of recovery in respect of this Agreement against any Buyer Related Party, whether by or through attempted piercing of the corporate veil, by or through any Proceeding (whether in tort, contract or otherwise) by or on behalf of Buyer against any Buyer Related Party, by the enforcement of any judgment, fine or penalty or by virtue of any statute, regulation or other applicable Requirements of Law, or otherwise.

Section 12.16 Governing Law; Submission to Jurisdiction; Waiver of Jury Trial. This Agreement shall be governed by and construed in accordance with the internal Requirements of Law (without regard to principles of conflicts of law) of the State of Delaware. By the execution and delivery of this Agreement, Buyer and each of the Sellers submit to the personal jurisdiction of any federal or state court located in the State of Delaware in any suit or proceeding arising out of or relating to this Agreement and agrees to exclusively bring any such suit or proceeding in such forum. EACH OF THE PARTIES TO THIS AGREEMENT HEREBY IRREVOCABLY WAIVES ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 12.17 Certain Matters regarding Representation of the Acquired Companies and Seller.

(a) The Law Department (“Chart Legal”) of Parent, in concert with certain outside counsel, including Winston & Strawn LLP (“Winston”, and collectively with Chart Legal, “Sellers’ Counsel”), has acted as counsel for Parent, Sellers and the Acquired Companies (the “Clients”) in connection with this Agreement, the Buyer’s Ancillary Agreements, the Seller Ancillary Agreements and the transactions contemplated hereby and thereby (the “Pre-Closing Engagements”), and in that connection not as counsel for any other Person, including Buyer or its Affiliates. Only the Clients shall be considered clients of Sellers’ Counsel in the Pre-Closing Engagements. Accordingly, notwithstanding that the Clients are or were clients in the Pre-Closing Engagements, upon and after the Closing (and, with respect to Chart China, upon and after the China Transfer), all communications between any of the Clients and Sellers’ Counsel in the course of the Pre-Closing Engagements shall be deemed to be attorney-client confidences that belong solely to Parent and Sellers and not to any of the Acquired Companies or Buyer, in each case so long as such communications would be subject to a privilege or protection if they were being requested in a Proceeding by an unrelated third party. Buyer and its Affiliates (including, after the Closing and the China Transfer, respectively, the Acquired Companies) shall not have access to any such communications, or to the files of Sellers’ Counsel relating to the Pre-Closing Engagements, whether or not the Closing shall have occurred. Without limiting the generality of the foregoing, notwithstanding that the Acquired Companies are or were clients in the Pre-Closing Engagements, upon and after the Closing (and, with respect to Chart China, upon and after the China Transfer), except with respect to any communications that would not be subject to a privilege or protection if they were being requested in a proceeding by an unrelated third party, (i) Parent and Sellers shall be the sole holders of the attorney-client privilege with respect to the Pre-Closing Engagements, and none of the Acquired Companies, Buyer or any of their respective Affiliates shall be a holder thereof, (ii) to the extent that files of Sellers’ Counsel in respect of the Pre-Closing Engagements constitute property of the Clients (including the Acquired Companies), only Parent and Sellers shall hold such property rights, and (iii) Sellers’ Counsel shall have no duty whatsoever to reveal or disclose any such attorney-client communications or files to the Acquired Companies, Buyer or any of their respective Affiliates by reason of any attorney-client relationship between Sellers’ Counsel and the Acquired Companies or otherwise. Without limiting the generality of the foregoing, the parties recognize that it would be impracticable to try to purge all Client-privileged communications from the Acquired Companies’ files and computer systems prior to the Closing (or the China Transfer, as applicable), and so the parties agree that no waiver is intended by leaving such documents where

they are and Buyer and its Affiliates shall not be permitted to review any such documents, and Buyer agrees that it and its Affiliates shall not be permitted to use any such documents in a manner adverse to Sellers in any indemnity or other dispute following the Closing (or the China Transfer, as applicable).

(b) Upon and after the Closing (and, with respect to Chart China, upon and after the China Transfer), the Acquired Companies shall cease to have any attorney-client relationship with Sellers' Counsel, unless otherwise agreed to in writing by Parent, Sellers and the Acquired Companies.
